

The Indoor Golf League is played on our Foresight Simulator in the lower level of the 19th Hole Bar and Grille. The scoring is individually calculated. There are weekly individual prizes, skins, season long team points and a ton of fun playing.

Team Registration Fee: \$40.00

(fee goes directly to the Playoff Payouts in Cash)

League Season runs December 3rd through March 25th

Each week will run from Monday to Sunday

\$20 Fee Per Week Per Player

Fee Breakdown is as follows: \$10 towards the simulator fee, \$5.00 towards the Individual weekly Net/Gross Prizes paid out in Gift Card Credit (which can be used at any business of the LOFS community, except to pay for league specific simulator rounds), \$5.00 to the Individual Cash Gross Skins which will include two handicap flights minimum (based on participation could be more).

Normal Simulator Rates Apply for non-league play.

Two Player Teams (No Substitutions Allowed)

Format is 9-Hole Rounds playing 1 Best Ball of 2 Net Competition vs. the Field

Practice rounds are encouraged, and League teams receive two free simulator hours before the season kicks off to get familiar with the simulator setup in the month of November to acclimate yourselves to using the system and help you be proficient with your booked times throughout the league season.

REGISTRATION FORMS LOCATED BETWEEN THE BATHROOMS OR ASK THE STAFF!

DEADLINE TO REGISTER IS DECEMBER 1st, 2018

TEE-TIMES

Call the 19th Hole at **219-988-2282** to reserve your time each week. **Every team must declare to the staff beforehand their intent to play their league round on the course for their weeks score in advance of booking and the staff will set up the simulator for league settings.** If you would like to schedule a specific tee time each week, please let us know your preferred day and time when you register your team for league and we will do our best to accommodate, but it is not guaranteed.

Each week, we have selected a golf course from the library of courses on the simulator. Play your league round any time during the scheduled week, Monday-Sunday.

Teams can play at any time on any day during 19th hole hours of operation – tee times permitting, and teams must play as a team, individuals may not combine scores from two different scorecards or from different round periods on the same day or week. It should take two players safely (1) hour to complete 9 holes on the simulator. If a team wishes to play with another team during their round this is permissible, however, book the appropriate time slots (2 hours) when doing so as a maximum of 4 players is allowed at once in the simulator room.

All match rounds requiring longer than the hour(s) they have booked will be charged for an additional hour if they run over the time allotted. They may continue play so long as another group does not have the simulator reserved after their time slot, otherwise they may save the game and pick it back up after the simulator has an opening time slot again. *Simulator usage will not be fractionally credited by the minute for overage above and beyond the hour periods, it is the players responsibility to be ready for play and to keep things moving once their room reservation time has begun.*

SIMULATOR RULES & LEAGUE SETTINGS

- Teams will compete from the 3rd set of tees from the right of the list on all courses.
- All players will compete from and be handicapped from the same tee.
- All individual prizes week in and week out will be flighted into two brackets minimum by 9-hole handicap subject to participation.

Print your scorecard at the end of each round then turn it in at the 19th hole bar and have the staff attest/verify that a staff member set the round up and sign off on the card as well. Cards will be collected throughout the week and updated in a timely manner to provide updates.

Please be ready to play at your scheduled time. Nine holes for a two-some should comfortably take approximately one hour to complete.

TEAMS

- Teams will be made up of two players.
- Each team will play one 9-hole round per week. League rounds may be played at any time but must be completed by the deadline provided. Example: week 1 matches begin December 3rd, 2018, week 1 matches must be completed at some point between Monday, December 3rd and Sunday, December 10th.

SCORING/FORMAT

Play takes place on a new golf course each week. Teams will play a nine-hole best ball match against the field that week by total net score. Points will be awarded for first thru last place each week based on the number of teams participating in the league season. No points will be awarded to teams missing a week.

Teams knowing, they will have players out of town can play up to two rounds into the future on the schedule, handicaps would be applied per each round date on the schedule in such cases. Handicap Sheets and weekly results will be posted in the room as well as hallway near the bathrooms upstairs and we will make every effort to develop a system for live updates throughout the week that all players can track.

Points will be awarded to the Net Team Total using Best Ball format, of which values will be awarded based on the number of teams competing in league times 2, ties splitting even points. *(ie. If ten teams competed in league, then 1st place that week is worth 20 points, 2nd = 18pts., 3rd = 16pts., two teams Tie for 4th = 13pts., 6th = 10 etc.)*

PLAYOFFS

Total points at the end of the 12-week regular league season will determine the final standings for playoffs, the top eight teams will move on to the playoffs.

Playoffs will continue the same format from the regular season and the top half of remaining teams will move on to the next round the top 6 teams will be paid out from the prize pool 5th and 6th place being the top two team point totals of the teams eliminated in the first round of playoffs.

Ties during playoffs will be decided by sudden death scorecard playoff starting with the #1 handicap hole for the course being played until the tie is broken. If after all 9 holes the winner is not decided, a tiebreaker sudden death round will be scheduled by the staff after contacting both teams to find a time that works for either side.

MULLIGANS

No mulligans will be permitted at any time for anyone for a league round, be sure you don't make the mistake of hitting your partner's ball when it is not your turn to play!

HANDICAPPING

Players must play three 9-hole rounds before the start of league to establish a simulator handicap, USGA handicaps from real golf do not apply. If a player does not have 3 rounds before league begins, the average above par of the rounds they have posted to the staff will be used and halved until the three rounds are officially logged with League Administrators. Maximum 9-hole Handicap is 16.

This established handicap may vary wildly in the opening weeks for players, any league scores that are lower than 10% of the established score average will be adjusted and recalculated at 80% of the established handicap for the opening 2 weeks and then return to 100%, if any league scores are lower than 15% of the established score average in the opening week all previous scores will be thrown out and reestablished based on week 1. The lowest three 9-hole rounds of all league play a player has recorded for the season will be the standard used to determine a player's handicap for the season.

PRIZES

Prize Pool for the Season will be Paid out to the top 6 places distributing all monies collected from team entry fees.

Individual Prizes for total score each week will be paid out to Gross and Net winners will be paid out in LOFS Gift Card Credit which can be used at any business location (excluding League Rounds of Golf, but including non-league simulator use)

Cash Payouts for weekly Gross Skins Games.
