## Lions Club annual Independence Day parade to take place Monday at noon

The LOFS Lions Annual Holiday Parade starts at noon on Monday, July 4. No registration needed, just line up starting at 11 a.m. on the corner of Kingsway and South Lake Shore Drive.

Entrants will be lined up on a first-come basis after the First Responders, the Military and local Honor Guard.

The parade route starts from the South Lake Shore Drive/Kingsway intersection and winds its way down Lake Shore Drive to the Seasons Lakehouse Grounds. Candy will be given out on the route.

Parade judging is at 11:30 a.m. Three trophies will be given out based on their July 4 spirit.

If you have any questions about the parade, please contact Parade Chair Jackie at lofslions@aol.com or at 219-776-3541.

After the parade there will be food trucks (Butter and Grace, Las Mamacitas, Portable Rican, Skyline Snowie, and Wild Fries), bounce houses and games

hosted by the LOFS Lions.

The LOFS POA will have a beer garden and a live band along the fence by the LOFS Pool from noon until 4 p.m. The band this year will be The Robots. This band of seasoned local musicians will perform a variety of classic rock songs from The Beatles, Cream, Jimi Hendrix, Steely Dan, Traveling Wilburys, and Hall and Oates to Stevie Ray Vaughan, Tom Petty, and Santana, plus many more.

The Robots are a classic rock band featuring Pete Calacci (who also is a member of Marrakesh Express ~ a Crosby, Stills, Nash, & Young experience; and Sky King) on vocals and guitar; Eddie Fell from Big Dog Mercer on vocals and drums; and Bob Sherman (Bittersweet; Choice Cuts) on bass guitar and vocals. They will be joined by Rich "The Rock" Ficek, who also performs with The Unstoppables and The Highway Band, on keyboards and saxophone.

In the evening, enjoy LOFS's fantastic fireworks

display that will be shot off behind the Seasons Lakehouse over Lake Holiday after dusk (generally around 9 p.m.) The Seasons Lakehouse and upper grounds will be closed all day while the fireworks are set up.

A \$20 fee will be charged to vehicles without a current LOFS barcodes entering the community from 6 p.m. to 9 p.m. All proceeds will go to the Fire Force who will be collecting the fee. The parking lot will only be available to vehicles with current LOFS stickers on them, all others will be turned away.

All golf carts must follow Golf Cart Rules & Regulations which can be viewed on the LOFS website at [www.lofs.org](http://www.lofs.org) under the policies tab.

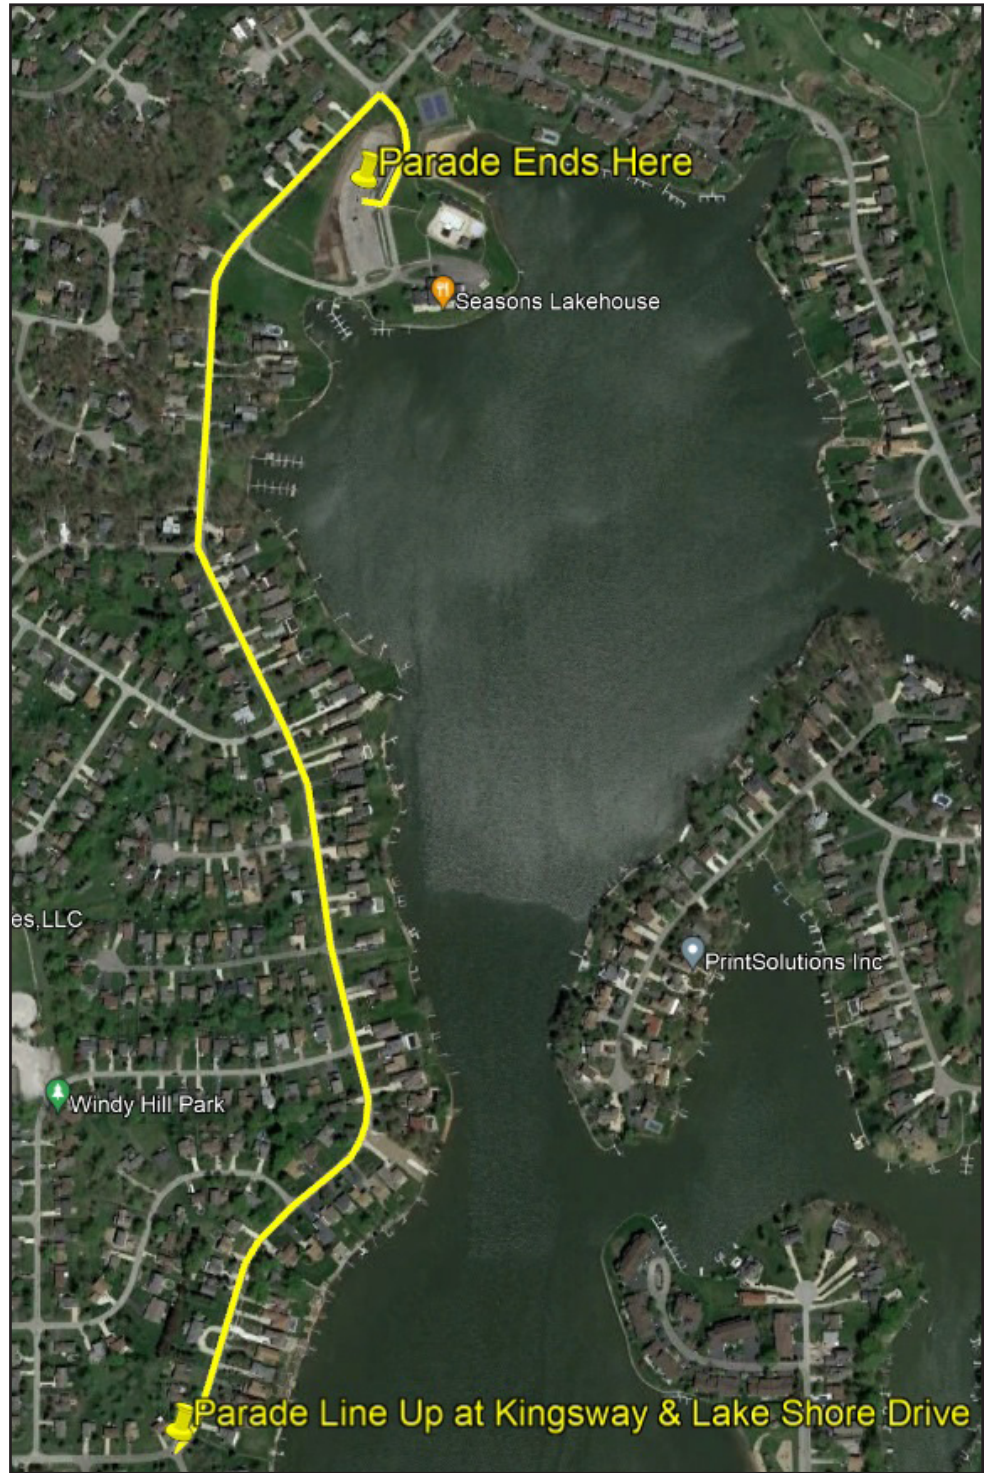

If you are renting a golf cart you must purchase a temporary 4-day pass at the POA office for \$80. All drivers must provide a valid driver's license.

Lastly, we ask that all residents abide by the Fireworks Resolution which is also located on the LOFS website.

ful arch. Another arch has a climbing pink rose that she received from her grandmother. Kim feels that rose can claim its history to the 1930s.

A great garden also includes items of whimsy. Kim at one time showed rabbits. In her flower beds, cute stone bunnies have found a home.

Kim is from Ohio where she is actually a computer programmer by degree. She has lived in Lakes of the Four Seasons since 1991. Her heart is in making Lakes of the Four Seasons a flower destination of beautiful gar-

### House and Garden Club Yard of the Month

#### July's Yard of the Month

The beautiful gardens throughout the golf course and common areas of Lakes of the Four Seasons have benefited from the talents of Kim White since 1995. Those gardens took on a major burst of beauty in 2006 when she was hired by Doug Weiss to beautify the course. Kim's Rustic Lane home is the July House and Garden Club House of the Month.

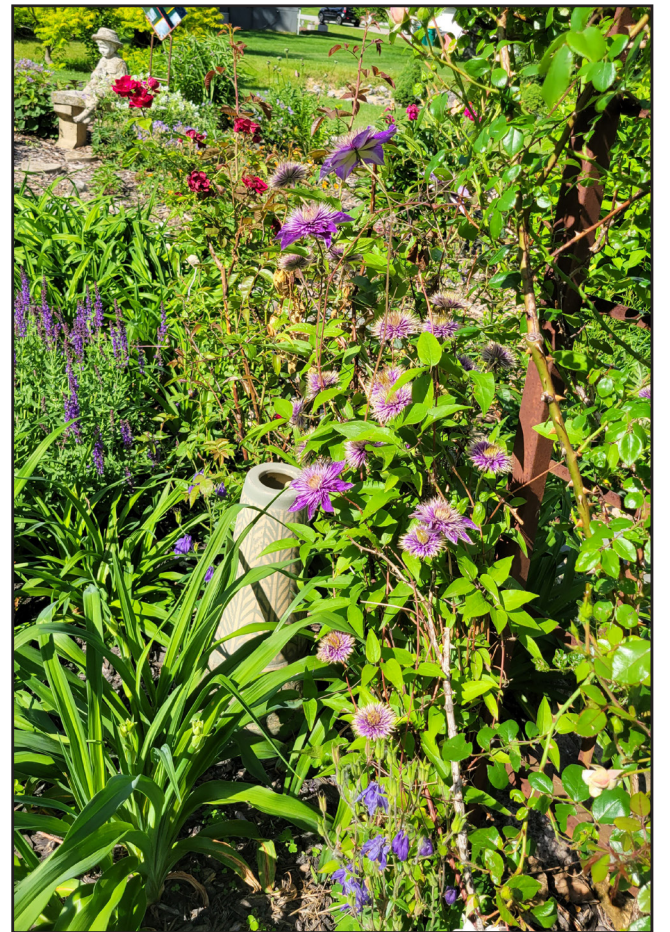

Her home is the location of over 350 species of Hosta

plants. She is a member of the Northwest Indiana Hosta Society and seems to be always looking for new plants to add to her gorgeous Hosta gardens. A love of coral bells is shown in over 45 different plant species that mingle with the Hosta plants.

Her home does have much more than Hosta plants. Numerous beds have lilies, German iris plants, poppies, roses, and too many other plants to mention. A Chinese wisteria climbs over a grace-

dens.

Lakes of the Four Seasons is grateful to Kim for her fabulous home garden and those she has created in the community.

**Independence Day Celebration**

The Lakes of the Four Seasons Independence Day Celebration will take place on the Seasons Lakehouse grounds by the LOFS Pool from noon to 4 p.m. on Monday, July 4, following the parade. There will be food trucks hosted by the Lions and the Seasons Lakehouse will be serving beverages under the tent. The band The Robots will be playing next to the beer garden along the LOFS Pool fence. They play

Classic Rock, Blues and Country, a little something for everyone.

The Fireworks display, presented by Pyrotechno, will begin after dusk (generally around 9 p.m.) on Monday, July 4. The fireworks will again be shot off over Lake Holiday from the Seasons Lakehouse grounds. The Seasons Lakehouse and upper grounds will be closed all day while the fireworks are setup.

I ask that all residents abide by the Fireworks resolution. A copy of the resolution is available on the web site at [www.lofs.org](http://www.lofs.org).

The POA Board of

Directors has approved charging \$20 to all vehicles without POA stickers entering into the community between the hours of 6 p.m. and 9 p.m. on July 4. They must give the LOFS address that they will be visiting. The Fire Force will be collecting the fee.

The parking lots will only be available to vehicles with current LOFS stickers on them, all others will be turned away.

### Temporary Golf Cart Rental Permits

A reminder to residents that are renting golf carts and using them to get around the community during the Fourth

of July holiday. If you are going to do this you must purchase a temporary golf cart permit from the POA office. The fee for this permit is \$80. If you are caught driving one of these rental carts without a temporary permit, you will be issued a citation with a fine that will cost more than the permit fee. Carts must have working rear tail lights and head lights that are connected through the carts electrical system if it will be operated on the roads after dark. These carts can only be operated by Property Owners. Golf Cart Rules are available on the LOFS website.

### CART PATHS FOR NON-GOLFING PURPOSES.

Using the golf course path for anything but a registered and paid for round of golf is prohibited. Specifically, the paved cart path at the front gate that passes around the back of hole #17 is a public path, however all carts must exit onto the road once reaching the front gate; continuing to travel onto the golf courses 18th hole is not allowed and tickets will be issued for trespassing on golf course property. Fishing on golf course property is also prohibited!

These rules are in place for both safety to residents and for preventing interruptions to golfers. Golf course Marshals and security will be cracking down on those that choose to ignore signs and

continue to use the cart paths for running, jogging, biking, dog walking or non-golf traffic with the issuance of fines at any time of day. All in all, I want everyone to be safe.

Inside the Gates from the Security Department

It's hard to believe but the year is half over and we are in the month of July.

The 4th of July has numerous activities throughout the day in Lakes of the Four Seasons. The parade begins at noon. As it gets close to the start time of the parade, Security will block off the majority of West Lake Shore Drive (the parade route), so if you have guests coming in they will be directed away from West Lake Shore.

If you live on the parade route and you are expecting guests, advise them to be at your residence by 11:30 a.m. or wait until after the parade ends.

Residents advise your guests to have your address ready when they pull into the community to sign in. The incoming traffic is extremely heavy on the 4th of July and backs up quickly, especially if the guests are unprepared.

Also, the dispatchers raise the gate after clearing each guest, but they do not lower it. The gate comes down automatically after each vehicle, so be sure to let the gate come down and return to the upright position before you proceed forward.

Security has been receiving complaints of fireworks. Per Lakes of the Four Seasons resolution #2007-06 11 the discharge of State of Indiana approved fireworks is limited to the following dates and times.

- From 5 p.m. until 2 hours after sunset from June 29 through July 9.
- The hours for the 4th of July are from 10 a.m. to midnight.

Discharge of fireworks is prohibited on POA property including streets, parks, the golf course, public grounds and the lakes. There is a \$50 fine for discharge of fireworks on POA property.

Security is still stopping a lot of golf carts with underage drivers. Don't forget you must be 16 years of age with a valid driver's license to operate a golf cart in Lakes of the Four Seasons. All golf carts must also have a current POA decal.

We wish everyone a safe and enjoyable 4th of July!

July brings out some of the area’s top talent to the LOFS concert series

**The Unstoppables**  
*Thursday, July 7*

The Unstoppables are a melting pot of veteran Region players that got their start jamming together at Finnegan’s Pub in Dyer. Given the fact that every member of the band has been a part of numerous other bands and projects, it allows the Unstoppables to bring a wide variety of music styles to the table.

The resulting mix of experience and passion for music is pretty special.

They are all music lovers first and foremost, which encompasses a wide spectrum of music genres. Their band was founded on the idea that they wanted to write and play music that was inspiring to them. Whether it’s something original (which they really enjoy sharing) or a cover tune that is a little off the beaten path, they are always in search of a tune or vibe that resonates with folks.

It’s tough to label the type of band they are because of the wide range of styles they enjoy playing. A good description might be ‘Americana and Roots Rock and Roll’. A rarity with this band is also the fact that they have four lead singers in the group. This, along with our four-part harmonies is what makes the band a tad unique.

Dan Soto is a singer, songwriter, and great guitar player

who has played with many bands in the Region over the years. He is also a member of the Celtic rock band New Element.

Greg Ashby has been a fixture in the NWI music scene for many years. He is also an avid songwriter. In addition, His vocal talent and range are superb. He once sang with Pavarotti with the Chicago Lyric opera as a teenager.

Bruce Chronister also writes, sings, and plays guitar. He has been joined at the hip with Greg Ashby for many years writing and performing together in different bands, which included him traveling back and forth from Florida for gigs for many years.

Rich ‘The Rock’ Ficek plays keys, sax, and flute. He is also a member of Scooter & the Cousins and the Highway band.

Jim ‘Sock It To Me’ Sasaki is a Region veteran on bass guitar with a wealth of talent and skill. He’s well-known in the music scene, often lending his chops to other projects in the Region.

Tim Flatt on drums and percussion drives a soulful rhythm section for the Unstoppables. Tim’s ability to adapt to a multitude of styles and sounds makes him a valuable asset in the group. Tim was also the founding member of the Region band Old Skool. Tim is a 20+ year resident of Lakes of the Four Seasons.

**The Highway Band**  
*Thursday, July 14*

Highway originated in The Region, a tough blue-collar area southeast of Chicago where hundreds of bands battle for exposure and gigs. They have risen to the challenge, delivering powerful onstage shows week after week, year after year. Highway has tapped into the primal source of rock music, the blues, and followed its evolution through seminal bands such as The Allman Brothers Band, The Rolling Stones, and Cream. Their original music acknowledges their musical debt to these bands without sacrificing passion and freshness.

They have shared the stage with Lynyrd Skynyrd, Jackyl, Foreigner, and Styx and have played the Tommy Jeans stage at Chicago’s Tweeter Center and Charter One Pavilion at Northerly Island Chicago. Their original songs have been aired on 93.1 WXRT and 97.9 The LOOP Radio in Chicago, 103.9 X-Rock & Night Rock

in Valparaiso, and KOOL 101.9 Radio in Indianapolis.

Seeing Highway live, the first impression is that there is no star in Highway- in truth, every member of the band is a born rock star. Vocalist David Varella sings with the passion of BB King, Ray Charles and Greg Allman. Brothers John and Jim Bonick blaze on guitars. Blending their two instruments into one, they invoke Keith Richards and Brian Jones on those great early Stones records.

Tim Dailey’s bass- playing is equal parts Bootsy Collins and Paul McCartney- funky and melodic. Drummer Glenn Miller approaches the drum kit with the swing of Charlie Watts and the power of John ‘Bonzo’ Bonham.

Talented and hardworking, yes, but Highway is also a good-time rock and roll band. A Highway show is a party. They bring back the good times when a rock ‘n’ roll song you could dance to and sing along with wasn’t too much to ask.

**Chronic Flannel**  
*Thursday, July 21*

Chronic Flannel is a 4-piece, live music outfit that delivers the hottest hip-hop, r&b, rock, reggae, funk, pop, and country music performance for audiences across NWI and the Chicagoland area. The range of genres and artists that Chronic Flannel brings to life for audiences is

simply not rivaled. A typical Chronic Flannel live show features songs originally recorded by Snoop Dogg, Pearl Jam, Bell Biv DeVoe, Neil Diamond, Zac Brown Band, Bob Marley, and more.

Each Chronic Flannel member adds to the mix a musical background of wide-ranging influences, experiences, and study. These include past performances with various high-profile bands and productions at the area’s best venues and theaters, years of study with world-class musicians, and countless hours of attention to building and maintaining professional relationships within the industry.

**Party Foul**  
*Thursday, July 28*

A rock, pop, country 6-piece cover band that plays all over NWI including blue chip casino, and prides ourselves on crowd engaging performances/up tempo dance tunes that are serviced with premium instrumentation/creative mashups. Taking you from Motown to Uptown with

a party performance that guarantees to get down, feel numero uno with everything from Beatles to Bruno. The party is always on the prowl with the one- and only-Party Foul, which features David Parrish-Vocals; Kristyana Michelle Murray-Vocals; Danny Litera-Drums; Jerry Jacinto-Guitar; Allan Colcol-Guitar; and Steve Morris-Bass.

## Old newspaper clippings tell about Lakes of the Four Seasons early planning

By Walt Pluchinsky, LOFS Historical Society

A previous article detailed highlights from old newspaper clippings from 1966 about the planning of The Seasons, and this series continues, both verbatim and by recapping.

A local daily newspaper's headline reads, "Two-County Project Proposals Given To Plan Groups". Dated Valparaiso, the article continues, "A vision of

gracious living was unveiled here Wednesday night before the Porter County Plan Commission. Using preliminary site plans, brochures and colored movies, representatives of U.S. Land Inc., explained how they propose to convert 1,700 acres at the Lake-Porter county line into a planned development for 10,000 people."

"Earlier in the day, the same people gave similar information to the Lake County plan group. An April target date will be announced when the developers will give full complete plans to members

of both the Porter and Lake County Plan Commissions."

"Spokesmen included John S. Keating, president of the firm, and Kenneth Schellie, Indianapolis consultant, who has been retained to handle site development. The ambitious project will be called 'Lakes of the Four Seasons', Keating stated. 'This will satisfy those people who are seeking something they can't find in this area', he said. He also added, 'When Interstate 65 is extended, people living in our area will be 20 minutes from downtown Gary and

less than an hour's drive from downtown Chicago'.

Schellie said that the project fits an amendment to the zoning code in Porter County permitting planned developments and will culminate in a fully oriented community."

"Keating said there will be space for 2,700 families, but he expected development to be slow. He was asked by county surveyor William Tanke, a member of the plan group, if the land firm had any plans to improve access roads into the area. Keating said he didn't, but the members of the community would

care for their own road maintenance and snow removal. The complex would have its own sewage and water systems."

"County Superintendent of Schools Charles McMurtry was concerned about potential school problems. 'All the property surrounding this area is agricultural and has no industrial base', McMurtry said. 'If you develop 2,700 homes, taxes from residences will not support the schools'. Schellie said sufficient land would be set aside for at least two school sites. He said each

tract would contain 10 acres, but McMurtry said that this might not be enough."

"Schellie said the earthen dams will hold the water in two lakes. He estimated the water would be 20 to 25 feet deep at the head of the dam."

"The developers will fly members of the Lake and Porter County plan commissions, board of commissioners and other interested persons to similar developments in the east. The group of 28 will leave February 5 and return the following day."

(To be continued next month with part 3 of 4)

## House and Garden Club

By Mary Cavallini

Char Bolka hosted a new member tea for officers and new members Peggy Kozlowski, Leona Bonich, and Chris Metros.

Savannah, Georgia will never be the same after a busload of Garden Club members and guests visited in May. Big thanks to Linda Koblack who made all the advance arrangements and to Mary Grveles who always goes above and beyond hosting and helping others. This was the first overnight trip the club has made, and everyone had a wonderful time.

May’s meeting was a nod to the Kentucky Derby. The 19th Hole’s pavilion was cool and breezy in spite of the heat, and the ladies, many

in Derby worthy chapeaus, dined on dainty finger sandwiches and played the hors-es. So much fun!

Susan Fiedor and the day tripper committee planned a very interesting day in Geneva Illinois, and it has whet our appetites for future outings.

Thank you to everyone who supported our popcorn fundraiser. Hopefully some dads were surprised with the unique Father’s Day gift from ladies gourmet popcorn. That stuff is good.

The next meeting at the 19th Hole will begin with lunch after which we will tour the golf course. This has become an annual event that is anticipated all year long.

Golf Maintenance

By Doug Weiss,  
Golf Course Superintendent

Long, cold Spring is in the past and now we are in the middle of a hot dry spell. The

areas of the rough that are not irrigated are starting to slow down and thin out. The areas of the course that are irrigated have remained healthy

and actively growing. The golf course uses Lake Holiday to irrigate from, and the lake level is starting to lower. If this trend continues, we will have to alter our irrigation practices. Like in years past, wetting agents are used on the turf to help the water penetrate the soil.

Wetting agents are non-ionic, which means they do not attach to soil particles. This creates channels for the water, allowing it to get to the roots. Wetting agents are an important part of water conservation. The greens, tees, and fairways have been sliced aerified, which allows not just water to penetrate the soil but also the exchange of gasses needed for healthy turf. The best part of slicing is that it doesn't affect the playability of the golf course. The driving range mats have been installed and look

great. The entire project was completed prior to the Member/Guest Invitational. The area around the cement has been seeded and netted. Please be careful when walking on the netting it can get stuck in the spikes of golf shoes. There are areas where plywood was placed to allow golfers heading to the grass part of the range to cross over. Next on the project list is the ladies' tees on holes six and eleven. Now that most golfers are driving by themselves, the amount of carts on the course has increased dra-

matically. Please stay on the cart path as much as possible. Also, please stay at least 30 feet from the greens. We are playing the ball down so if the cart traffic kills the areas around the greens then we will have to change the ball rule. The July 4 holiday is fast approaching. Try to keep an eye on the course to reduce vandalism. Lastly, bug spray does injure turf so spray it on a solid surface like a driveway or cart path.
