

House & Garden

By Mary Cavallini

Style was the watchword of the day as the House & Garden Club celebrated horses and spring and the Kentucky Derby at its April 24 meeting.

Elegant club members turned out in hats worthy of the derby or a royal wedding. Mary Grveles created a horseracing game, and the winning team walked away with roses and wine baskets.

High Tea, a la Northwest Indiana's famous Seasons Lakehouse restaurant, was served at tables divinely decorated with roses, beautiful teapots, and vintage teacups the

ladies got to take home.

Kudos to JoEllen Simoni and Patricia German for the amazing decorations. Patricia and Mary Cavallini won prizes for best hats, and Mary won the 50-50 raffle too

The Club's May 29 meeting theme was "Tomatoes and Peppers and Spices, Oh My!" After lunch Master Gardener Becky Crabb shared tips on vegetable container gardening. Club Members were asked to wear a sombrero or serape or even bright orange to fit in with the theme.

LOFS Fundraisers say 'thank you' for the Sparkle ~N~ Style show and luncheon success

On April 29, the LOFS Fundraising Committee sponsored Sparkle ~N~ Style, their 8th annual style show and luncheon at the LOFS Seasons Lakehouse.

The sold-out event was spectacular. Guests enjoyed a beautiful fashion show sponsored by Threads of DeMotte, and a delicious sit-down luncheon served by Ramiro Jimenez and his staff of the Seasons Lakehouse. The afternoon was filled with fun: a huge array of raffle baskets, silent auction, fabulous vendors, huge grand prize, and entertainment, by a local favorite, Dave Alamillo, was enjoyed by all.

The committee thanks all their guests who attended, all who participated or donated, to our fabulous vendors, and to all of the volunteers for their help in making this event a huge success, including:

Albanese Confectionary, Ann's Nails & Spa, Another Season's Floral-DeMotte, Anytime Fitness-Winfied, Baja's Family Restaurant, Beach Tan Express Salon-Crown Point-Sharon Dykema, Beggars Pizza, Blinds of All Kinds-Joe & Sandi Scalise, Carriage Court Pizza, Centier Bank-Jill Wineland, Chef Nick's Eatery, City Floral-Merrillville, Coldwell Banker-Nancy Frigo, Community Title Company-Kathy Shultz, Crown Town Grill, Dara Montagano, Debra Kondrat, Diamond Residential-Ryan Eberhard,

El Jimador, Floral Arrangements by Kim-Kim Richards, Four Seasons Video-Diane Smith, Joe's Barber Shop Winfield-Joe & Bree Barsic, Habitat for Humanity Resale Shop-Kim DeRisi, Homes by L, LLC-Larry Luebcke, Gary Southshore Railcats Baseball Organization. Gators Bar & Grill, Hooters-Merrillville, L&M Management-Cindy Weiss, Lake Mortgage-Elisabeth Douglass, Law Offices of Kristina Garza LLC-Kristina Garza, LOFS 19th Hole - Val Gernenz, Mgr., LOFS POA - Rick Cleveland Community Manager, LOFS Pro Shop - Paul Boris, Lori Rogers, Mary Kay Cosmetics- Lori Lazarian-O'Malley, McColly Real Estate - Brenda Versnel, McColly Real Estate-Wendy VanDenburgh, McColly Real Estate Corporate Offices-Schererville, My Life & Massage-Schererville-Stacy Williams, Optimal Chiropractic, Shear Designs, Inc., DeMotte- Yvonne Bretainger, Stardust Bowl, Stephano's Pizzeria, Southlake Carpet&UpholsteryCleaning-Ed Denihan, Strawberry Fields Restaurant, Tammy's Pet Salon, The Smoke Shop, Threads Apparel- DeMotte, Two Bills - America's Sports Bar & Grill, Unwind Body & Mind, Hobart, IN-Christine Pierce, Wicked Twist of Fate, and Yoga Kids-Gabrielle Kiefer.

A special 'thank you' to Ramiro Jimenez and the

LOFS Fundraising Committee

Seasons Lakehouse Staff for the fabulous luncheon and superb service, and all of our escorts and set up crew including Alex Eldred, Jacob Chimett, Jason Hayhurst, & Wade VanDenBurgh; golf cart chauffeurs Bob Joyce, Dave Mastey, Jack O'Malley (thank you for coordinating), and Kim Spasoff..

For those of you unfamiliar with this committee, the LOFS Fundraising Committee, composed of current members Shannon Benko, Lori O'Malley, Sandi Scalise-co-chair, and Wendy VanDenburgh-Chairmen, is a not-for-profit group who raise money for the beautification and enhancement of the community. We are always looking for new members to join us in our fun endeavors.

For more information, visit

us on Facebook by searching Lofs Fundraisers or contact Wendy at 219-309-9530.

Thank you again for all of your support, and we'll see you at the summer concerts!

LOFS residents encouraged to participate in the 2018 Fourth of July photo contest

The Historical Society of LOFS will hold their second annual LOFS Fourth of July photo contest next month on July 4th. Here are the rules:

- Please Note: due to printing costs, a non-refundable one-time entry fee of \$5 per entry is required in this contest.
- Photos MUST be taken on July 4th, 2018 and reflect by background the photo was taken *inside* LOFS.
- Picture can be of people, pets, party, parade or anything else that pretty much reflects your fun on the 4th!

Models and escorts

Style Show luncheon

- Deadline to submit your picture(s) is Wednesday, July 18, at the POA office by 4 p.m., or by e-mail to cmgr@lofs.org. Provide a description with a caption of your photo. Include names, place etc. Entry Fee of \$5 (per photo) must be dropped off at POA office by July 18th to be eligible for the photo contest.
- Photos will become property of the Historical Society of LOFS and will NOT be returned.
- Members of the Historical

- Society of LOFS will determine winners.
- First Place receives \$100 in LOFS Bucks to be used at Seasons Lakehouse, 19th Hole, or LOFS C.C. & Pro Shop. Second place receives \$50, and third place \$25 in LOFS Bucks. (LOFS Bucks may not be applied as payment of past or current bills and amenities.)
- Photos and winner information will appear in the August (if possible) or September edition of the LOFS Seasonal.

POA Community Manager

Just a reminder: if the 2018-19 dues were not paid by May 1, they are considered delinquent and all use of LOFS amenities are suspended including the use of the Four Seasons Parkway and 117th Street Entrances.

The delinquent list has been given to the POA attorney and liens will be placed against those lots due to non-payment.

Spring branch collections have been completed for the entire community. There will be no POA provided branch collections until this fall. We will only collect branches due to storm damage.

Trash Can Policy

Reminder to All Residents

Every outdoor receptacle for ashes, trash, rubbish, or garbage shall be so placed and kept as not to be visible from any street, lake, or golf course within the subdivision at any time except for the times when refuse collections are being made. 6 p.m., prevailing time, on the day before the scheduled day of refuse collection, shall be the earliest time that property owners may place trash receptacles out for collection.

All trash and recycling receptacles shall be stored no later than midnight on the

day of collection.

Election

Three of the five seats on the LOFS POA Board of Directors are up for election this year.

Friday, June 1 – Friday, June 22 - Candidacy petitions will be available at the POA office for all residents wishing to be listed on the ballot.

Bird Feeders

I know people like to put out bird feeders to attract song birds for their enjoyment. Please keep in mind doing so can attract other animals such as opossums, raccoons, squirrels and rodents. These other animals could become destructive to you and your neighbors' property. They could also be disease ridden and harmful to residents and their pets.

Summer Concerts

For those of you arriving at the summer concerts in golf carts, remember that it must have a current POA sticker and lights are required on the carts if operated after dark. Also, there will be a \$5 parking fee to all vehicles without current POA decals.

The fee will continue to be collected by volunteers from miscellaneous sports groups and committees.

Rick Cleveland

The money they collect will go towards a project within the Community. Remember these concerts are an amenity paid for by property owners that are current with their POA assessments.

There is a limited amount of parking availability and parking on the berms and streets will not be permitted so if you are a guest or family member of a property owner you should carpool with them to enjoy the music, food and beverages this summer.

June's Summer Concert Listing

- June 7 - Overdue
- June 14 - Righteous Hillbillies
- June 21 - Unstoppables
- June 28 - Night Shift

All concerts will take place in front of the Seasons Lakehouse beginning at 7 p.m.

Keenagers

The Keen-Agers will have their June meeting on the 21st at the Seasons Lakehouse. The bar will open at noon with a delicious luncheon being served at 1 p.m. Entertainment is scheduled for 2 p.m.; after a short meeting adjournment will be around 3 p.m. Meetings are every third Thursday of the month except for January.

The Club is open to any-

one 50 or older, regardless of residency. The yearly membership fee is \$25 and the monthly luncheon cost is \$15, which includes a tip. With the success of their 12 fundraisers, they get help in financing all their fun activities, such as day trips, gambling, and their September Diamond Tour bus vacation; this year it is *Nashville, Tennessee*.

The annual August Auction

is being planned; every year it gets bigger and better. Join us at the Crawpuppies concert August 9; we will be helping with the parking.

Please read the Seasonal for all their latest info and updates, and check out their ad in the LOFS phone book to stay connected. Call Renate for further info or to make a future reservation at 219-689-3408, or e-mail her at willrenate@yahoo.com. Thanks to all the Keen-Agers and the Seasons Lakehouse staff for keeping up with the Keen-Agers!

POA Election Committee

2018 POA Board Election Schedule

Three of the five seats on the LOFS POA Board of Directors are up for election this year. Here are the key dates:

- Friday, June 1 – Friday, June 22 - Candidacy petitions will be available at the POA office for all residents wishing to be listed on the ballot.
- Monday, June 25 – Friday, July 6 – Completed petitions may be turned in at the POA office. The order the ballots are printed, listing the candidates' names, will be determined by a blind draw only if there are more than one person turning in their petitions on the same day to the POA office, and documentation verified as complete and valid. If more validated signatures are required; the prospective candidates have until July 13 to turn in the Candidacy Petitions.
- Monday, August 6 – Candidates Night issues

forum at 7:30 p.m. in the LOFS Seasons Lakehouse ballroom.

- Friday, August 10 – Ballots will be mailed to all property owners of record.
- Wednesday, September 12 – Polls closed; ballots must be received by 9:00 a.m. at the Crown Point Post Office box. Ballots will be counted beginning at 7:00 p.m. in the LOFS West Lounge.

• Property Owners have the option to mail in their election ballots or drop them inside a locked ballot box that will be located inside the LOFS Seasons Lakehouse. Ballots may be dropped inside the ballot box anytime the Seasons Lakehouse is open. The last day to drop them inside the box will be Wednesday, September 12 by noon. The election chairperson will be the only person that can unlock the box to retrieve ballots the day of verification and counting on September 12.

The POA office hours are Monday through Friday from 9 a.m. to 4 p.m.

Father's Day fishing with my Dad

By Emma Vandenburg, Junior Reporter

Ever since my Dad was a little boy, he has been hooked on fishing. After moving to Crown Point from Calloway County, Kentucky, 14 years ago, he continued to pursue his passion for fishing. Wherever there was a body of water with the slightest chance that a fish would be swimming there, he would be there casting a lure.

He often takes my Mom and I fishing. We have fished in canals, lakes, channels, and shallow flats from Crown Point to Kentucky Lake. Even in Disney World my Dad went fishing. We've fished at the crack of dawn,

in the broiling heat of the noon sun, at twilight when the smell of dinner was in the air, and in the inky blackness of night.

I've caught bass, bluegill, crappie, catfish, and walleye, but not a Muskie; and that is just fine with me. It is super fun to catch a bass, however, and when the crappies are biting, it makes for a fun afternoon.

I never thought my Dad was doing anything but just taking me fishing to have fun. And I did have a lot of fun. Now I understand that he was teaching me skills, and, most of all, making memories.

Fishing has become a great way for us to spend time together aboard my Dad's boat. As he says, "I don't care if

we catch anything, it's great to just get out in the boat and enjoy the day on the water."

He enjoys taking a break from his busy schedule of work and mom's 'honey do' list to take in a day of fishing.

My Dad's favorite species to target are largemouth bass. He says he loves the battle and especially catching them in the shallows when he can see them hit. We are both looking forward to our annual Father's Day fishing day to see who can catch the biggest fish. I remember catching a 4 lb, bass on Father's Day, and I don't know who was more excited, me or my Dad.

Like Dad says, "That's why they call it fishing, and not catchin'."

Obituary ~ Frank M. Bugno

Frank M. Bugno, age 76 of Lakes of the Four Seasons, passed away April 19, 2018. He retired from Metra Commuter Rail after over 30 years of service. Frank was a member of St. Elizabeth Ann Seton Catholic Church. He was a loving husband, father, grandfather, and great-grandfather. Frank will be greatly missed. He is survived

by his loving wife of 54 years- Joyce; children- Tim Bugno, Sr., Christine (Eric) Buchmeier; grandchildren- Tim Jr. (Jenn) and Michael "Tyler" Bugno; great-grandchildren- Monroe and Harper. Visitation was held from 2-8 p.m. on Monday, April 23, 2018, at Burns Funeral Home, 10101 Broadway, Crown Point,

IN. A Mass of Christian Burial took place at 10 a.m. on Tuesday, April 24, 2018, at St. Elizabeth Ann Seton Catholic Church, 509 W. Division Rd., Valparaiso, IN, beginning with prayers from Burns Funeral Home at 9:15 a.m. Donations may be made to the American Cancer Society. www.burnsfuneral.com

Supplies low, donations needed at Winfield Township Food Pantry

Winfield Township Food Pantry needs help says, Trustee Paulette Skinner.

"We need canned soup (chicken noodle and tomato are

favorites), Hamburger Helper, canned pasta, and cleaning products. The community is very generous during the colder months, but we get very few

donations in spring and summer. Please help restock our pantry."

Skinner and the Township office can be reached at 219-663-7027.

Operations Department

By Roy Green,
Director of Operations

By the time you read this the maintenance crew will have completed branch pick-up for the entire community. Unless we have some big storms this summer, the chipper and leaf vacs will have been cleaned and serviced and will be ready to go for the fall collections, which begin in September. In the meantime, if you have any branches that you want to dispose of, you can bring them to the maintenance yard.

The summer concert season will begin on June 7. We will be placing the famous blue trash cans out along with the green and yellow recycling containers. Please use the recycling containers for all of your bottles and cans and put all of your trash in the blue ones. We collect a ton of bottles and cans from each concert and would like to see them go towards our recycling efforts.

There are many things that the Operations and Building Maintenance Departments

do over the summer. Besides setting up for the concerts, we collect trash from all the parks and boating areas every Monday and Friday. We prepare the pavilions for the weekend rentals, mow and trim the parks and all common areas, build and repair fences, repair landscaping, paint and repair playground equipment, stripe road lines, repair or replace street and road signs, minor drainage repairs, clean and maintain vehicles and equipment, dispose of white goods and electronics, maintain all LOFS buildings (including the Seasons Lakehouse, Pool Center, 19th Hole, park and golf course bathrooms, concession stands at Cleveland

park and Windy Hill park), make road repairs, repair gate arms at the Lake and Porter County entrances, trim and cut down trees, plant trees, set tents up for many golf and community events.

And just about everything else that is not golf course or lakes related. Did I mention we mow over 200 acres every week?

You can see we have a pretty busy schedule. That is why we have opened our gates to you to bring branches and leaves to us. We cannot keep the chippers and leaf vacs running all summer, except for emergency situations. It takes between two-and-four people to run them and that takes away from all

the other duties that we have. So please bring the branches to us or save them until the fall, when we will be happy to collect them, as long as they are placed out at the scheduled time. If you have any questions, please call the Operations Department at 219-988-4461.

Have a great summer.

Adult learner scholarships available from Crown Point Community Foundation

The Crown Point Community Foundation is accepting online scholarship applications for the Women's Giving Circle Scholarship, Ron and Suzanne Borto Scholarships, Crown Point Lions Club Scholarship, McMichael Family Scholarship, Charles and Marjorie Quickle Memorial Scholarship and Dorothy Dillman Max Scholarship Fund. Specific criteria and info about each scholarship is listed below.

Access the online scholarship application through a link on the CPCF website at www.thecpcf.org or our Facebook page (Crown Point Community Foundation).

The deadline for applying for scholarships is June 11, 2018 at 10:30 p.m.

For questions about the application process, contact the Foundation office at 219-662-7252.

Women's Giving Circle Scholarship: Female South Lake County residents, 21 and over, returning to college, university, trade or vocational school. Need based. Number of scholarships and amounts vary, depending on total gifts received from the Women's Giving Circle.

Ron and Suzanne Borto Scholarships: Lake County, IN residents, 25 and older, returning to college, university, trade or vocational

school. Amounts vary. One \$500 scholarship for a male and one \$500 scholarship for a female.

Crown Point Lions Club Scholarship: Crown Point High School graduate, completed the second semester in a program leading to a bachelor's degree in speech and hearing pathology, optometry, or related fields, at an accredited college or university by the time the scholarship is to be paid. Applicants enrolled in post graduate degree programs in the indicated fields of study shall also be eligible. Applicants must be enrolled as full time students. Applicants may (See *Scholarship* on Pg. 9)

Public Safety Department

By Craig Philp, Public Safety Director

Berm Parking
 Overnight berm parking is still a violation of the Lakes of the Four Seasons covenants, and on a nightly basis we are seeing more and more homes allowing this. We, of course, make exceptions if we see that the driveway is full and that it is being utilized to capacity. However, it is the property owner's responsibility to make sure that should someone leave during the night anyone parked on the berm moves their vehicle to that open spot.

Property owners are being fined for the offense as you are responsible for your guest's actions. Those who are residents of the community and found to be parking on another berm overnight are being cited directly.

This department through

the POA does have the authority to have the vehicle towed from the illegally parked area at the cost of the owner. This will occur if we find the same vehicle/owner continually violating this rule.

Yard Maintenance
 This department, along with the covenant officer of LOFS are out checking properties for violations. This will include the upkeep of properties in the area of maintaining lawns. We have already made contact with several properties about the excessive length of some lawns and edging areas.

I would also ask those who are maintaining their properties to remember to NOT blow your grass clippings in to the streets or in to the lakes. These clippings are considered rubbish and despite the fact that aestheti-

cally it is not pleasing to see the roadway covered with it, it's also a safety issue.

Grass clippings affect the traction between the tires and the asphalt of motorcyclists, children on bikes, to roller bladers; and it does not matter if the clippings are wet or dry.

Don't be surprised if members of this department stop and ask you to clean off the roadway if they see it happening.

When it comes to our lakes, did you know that grass clippings contain phosphorus?? Did you know that phosphorus is the nutrient that turns lakes green with algae which is why we restrict lawn care companies from using phosphorus in their treatment plans? One load of fresh grass clippings can contain .1 lbs of phosphorus and that's enough to produce up to 50 pounds of algae growth if it finds its way to a lake.

While I am not an expert in this area, I do know that leaving your grass clippings on your lawn is a good thing. The clippings recycle nutrients to your lawn which increases its organic content which is good for earthworm activity. And while the added earthworms are good for fishing, they are also good for soil aeration which helps with water movement and help keep your grass nice and green; and who doesn't want a nice green lawn.

Mailbox / House Number Update

Last month I told everyone that this department issued nearly 300 notifications to the Lake County residents about homes and mailboxes either not having visible or contrasting numbers. At the start of this month officers rechecked the area and found out of that 300 homes only 40+ people did follow through with the corrections.

I want to thank everyone who did comply immediately and let those know that did not, we still need you to remedy your violations. Citations have been mailed out and will continue to be sent until

the issues are fixed.
Golf Cart / Scooters - Motorbikes

Most have already noticed that there are kids still being found driving golf carts, scooters, or small motorbikes on our roadways. Officers have been stopping those found and notifying parents of the community rules.

In 2015, a new law went in to effect regarding the licensing and registration of Motor Driven Cycles (mopeds / motorized bicycles.) This means the 50cc law everyone knew of changed.

Per the Lakes of the Four Seasons POA policy, moped operators must be 16 years of age and possess a Bureau of Motor Vehicle issued license or identification card. The item being operated must have an MDC A or B endorsement as well.

Everyone under the age of 18 years old must wear a helmet and eye protection while riding which must meet the USDOT standards.

Definition: A motor vehicle that: (1) has a seat or saddle for the use of the rider; (2) is designed to travel on no more than three wheels on the ground; and (3) complies with applicable motor vehicle equipment requirements under IC 9-19 and 49 CFR 571; (4) has an engine that produces no more than five brake-horsepower; and (5) is registered as a Motor Driven Cycle - Class A. The term does not include an electric personal assistive mobility device.

A motor vehicle that: (1) has a seat or saddle for the use of the rider; (2) is designed to travel on no more than three wheels on the ground; (3) complies with applicable motor vehicle equipment requirements under IC 9-19 and 49 CFR 571; (4) has a cylinder capacity not exceeding 50 cubic centimeters; and (5) is registered as a Motor Driven Cycle - Class B. The term does not include an electric personal assistive mobility device.

Motor Driven Cycle Class A

Motor Driven Cycle Class B

Summer Concert Series starts rockin' this month with regional bands

Overdue

June 7, 2018

Overdue is a high-energy party-rock band that has been playing the local region for over 15 years. Overdue plays a wide variety of upbeat party tunes to keep the party going all evening long.

The band meshes today's hits along with anything from yesterday to today's favorite country songs; from Elvis to Joan Jett, Rick Springfield, Kid Rock, Matchbox 20, Green Day, Cheap Trick, Bryan Adams, Bon Jovi, Luke Bryan, Neil Diamond and many more.

Band members include Dave Perez on guitar; Noe Perez on bass; Nick Wein on drums; and Doug Clapp on vocals.

Righteous Hillbillies

June 14, 2018

Righteous Hillbillies are a rock 'n roll band launching a revival of the Southern spirit of blues boogie and soul groove along with the primal and visceral energy of rock 'n roll power. Their hometown of Joliet, Illinois, is not the likeliest headquarters for one of America's best southern rock bands, but Righteous Hillbillies put the map of convention in the shredder a long time ago.

With every Allman Brothers or Stax-Volt style lick, and impassioned and intense shout in a mode and method similar to Chris Robinson, Righteous Hillbillies are an axe-shredding, ace-dealing demonstration of southern rock vitality and the value of authenticity. After a recent live performance at a music festival, music critic David Masciotra, author of 'Mellencamp: American Troubadour', said, "Righteous Hillbillies stole the show. Their high level of skill, energy, and intensity will make anyone dance in one moment, and then knock the wind out of them the next."

Band members include Brent James on vocals; Nick Normando on guitar; Jeff Bella on bass; Barret Harvey on drums; and Chris Bartley on keyboards and organ.

The Unstoppables

June 21, 2018

The Unstoppables are a melting pot of veteran Region players who got their start jamming together at Finnegan's Pub in Dyer. Given the fact that every member of the band has been a part of numerous other bands and projects, it allows the Unstoppables to bring a wide variety of music styles to the table.

It's tough to label this type of band because of the wide range of styles they enjoy playing. A good description might be Americana and Roots rock and roll. A rarity with this band is that they have four lead singers in the group. This, along with their four-part harmonies, is what makes the Unstoppables a tad unique.

Band members include Dan Soto, singer, songwriter, and guitar; Greg Ashby, singer,

Garage Sale Event to be held during the "Town of Winfield's Garage Sale" held on Friday, June 22 ONLY! From 8 AM – 6 PM At Big Bass Beach
Come on out to support the LOFS Women's Golf Association!

Golf Maintenance

By Doug Weiss,
Golf Course Superintendent

The first leg of the golf season triple crown is finished. The unusual cold spring is behind us and it is time to get outside. We all know that summer doesn't last long enough in the Midwest so try to take the time to enjoy the

Franciscan Health Crown Point offers EMT course

The Franciscan Health Crown Point Emergency Medical Services Training Academy will offer its next emergency medical technician training course beginning June 4.

Applications, which must be submitted by May 30, are available at the academy by calling 219-757-6461.

Upon course completion, students aged 18 and older are eligible to take the state examination.

Among other duties, EMTs are trained to perform such services as bandaging and splinting, CPR, use of the automated external defibrillator, administer some medications and assist patients with inhalers.

The academy is located in the hospital's Medical Arts Center, 1201 South Main Street in Crown Point.

summer months.

We were able to accomplish a lot this spring. All the dead trees were cut down and the stumps were ground out, filled with soil and now have grass growing. The bunkers on number 6 were removed and filled with soil and are now rolling mounds. The

back of number 13 green bank was reshaped to help the area drain properly. A new bunker has been constructed on number 11, and the sand in the bunker on number 13 has been replaced. Both bunkers have been sprayed with a liner to help the bunker drain faster and therefore have fewer washouts after a heavy rain. The bunkers were all covered with tarps to prevent the sand wasps from laying their eggs in the sand.

If we were not successful

because of the cold temperatures, I am going to try four different control methods. First is a powder directly in the hole they create in the sand. Second is using a fogger that is used for controlling mosquitoes. Third is Dawn dish washing liquid in the holes. Last is a wasp spray from a local hardware store. The control method will be labeled in each bunker so we know which methods are the most successful.

One of the projects to

complete this season is to re-plank the bridge with bamboo decking. The sales representative was brought to the location to make sure that it is the best product for the environment. The second project is to replace the rotted wood landscape timbers around number 1 tee. Lastly, the ditch by 18 green will be cleaned out and have erosion cloth and rip rap installed. I have no intentions of doing anymore excavation projects for the remainder of the year.

The greens committee will meet Monday, June 4, at 6 p.m. at my shop.

Please remember that you need to walk your property to make sure you don't have areas of standing water, they are a breeding ground for mosquitoes. Ryan Grady and I are once again in charge of controlling the mosquitoes in the community. Last year was successful and we are hoping for even more success this year.

Lion's Club

LOFS Lions community events in spring and summer

The Lions Club just completed two community events, our pork chop dinner in April and our steak sale in May. Each was very successful thanks to support from the LOFS and Winfield Community. The steak sale will return in the fall; they are sold in a half case (8) or full case (16) and make great family gifts.

Coming up on Saturday, June 9, is our annual candy day; we will be collecting for cancer research at the gates in exchange for that candy favorite, tootsie rolls.

Fourth of July will feature the annual parade stepping off at noon. Interested groups should line up at the corner of Kingsway and Lakeshore Drive starting at 11 a.m. Our esteemed panel of judges will

start judging at 11:30 a.m. in a number of categories. Questions? Contact the Lions at lofslions@aol.com.

Rounding out the family fun, the Lions will have their food booth near the pool and fun jumps and games near the Seasons Lakehouse.

Non-profit groups that want to have their own booth on the Fourth of July can contact the Lions at our e-mail address to go over the details of their proposed booth.

The Lions are holding a special on their engraved bricks from June 1 to August 30. The bricks, which are located in Lions Park, can honor a family or family member, friend, colleague, business, or pet. The first brick is \$75, the second brick is \$25; for info, contact lofslions@aol.com.

The Lions appreciate the support of the community,

which allows us to make donations to fund projects in LOFS and make donations to local charities.

Just this month, the Lions have funded a wheelchair swing for Lions Park, outdoor décor for the restaurant, made donations to three local food banks and two local women's shelters.

Other groups receiving donations this year included people who needed help purchasing eyeglasses, and winter hats and gloves for our local schools, the Winfield Fire Department, and Leader Dog training. The Lions also hold an Easter Egg Hunt and Christmas Party each year and fund one or two individuals going to Diabetes Camp.

Interested in volunteering? Join the Lions, a group with a 100-year history of public service. Contact our membership chair, Linda Kroner at lkroner1159@comcast.net for more information.

You can also contact the Lions about any of our events at lofslions@aol.com or call Jackie at 219 776-3541.

This Month in LOFS History

By Sally Lugo

What the Fundraisers, WGA, and House and Garden Organizations Have in Common!

The LOFS Fundraisers recently held their annual Fashion Show to raise monies for the betterment of our community. (See related article in this edition.) Thank you LOFS Fundraisers! It was a great time with all the food, fashions, and fun.

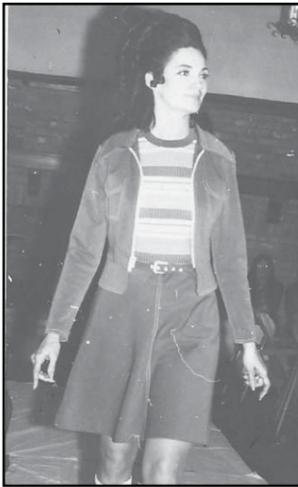

An interesting fact, however, is an annual fashion show was not always presented by The Fundraisers. The LOFS Fire Auxiliary was the organization first to hold such an event!

One of the models in the 1970 Fire Auxiliary Style Show was Mary Flassig. Mary and Frank Flassig purchased their property on South Lake Shore Drive in 1969, moving in one year later. Mary volunteered extensively for Lakes of The Four Seasons. She was a

driving force behind helping to create "The Seasonal" as a monthly publication beginning February 1970. Mary also started the first girls 4-H Club in Four Seasons. She became very active in Junior Golf and the WGA being one of their first board members.

It's fun to note Fashions shows were also held by the WGA! On April 22, 1972, the WGA held their Annual Golf Brunch. Sue Andrews, Shirley Ruling, Lisa Hendricks, Grace Kloss, and Betty Roberts all modeled fashions from the Four Seasons Pro Shop! These ladies all volunteered extensively in LOFS organizations.

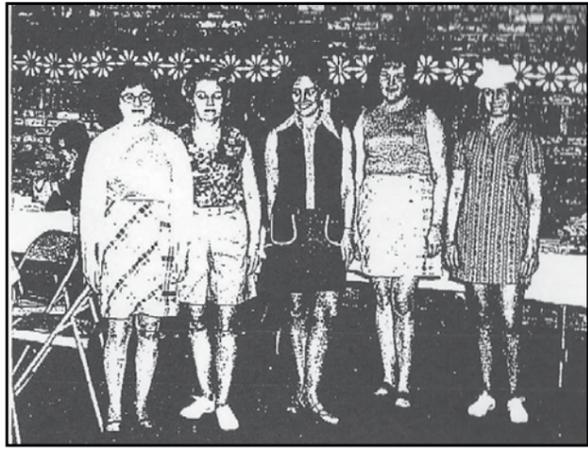

One last picture from the past features our own wonderful volunteer, Rosemary Kachaturoff modeling at the 1978 Fire Auxiliary Style Show. Rosemary and Dan purchased their property in 1968 and moved into their home in 1971. Rosemary

Rosemary Kachaturoff

enjoyed volunteering. She was an original Pot Luck and Bridge Club organizer. And, she was one of the first 'Weeders and Feeders' for the House and Garden Club.

What's a 'Weeder and Feeder' you ask? In 1969 the House and Garden club organized. Members volunteered to maintain certain LOFS common areas by weeding and tending to the

WGA members were fashion show models

many LOFS seasonal gardens. They also planted flowers and trees throughout the community. They were the driving force behind giving our main gate a face lift installing a new sign and clock tower.

In 2004 House and Garden had the main gate's Armillary Sphere installed. Rosemary no longer resides in Four Seasons but she's still close enough to attend her House

and Garden club meetings and participate in projects. In 2016 Diann, her daughter, and Tony Tsikouris decided to down-size and purchase Diann's childhood home. Diann and her husband, Dan, both well-known volunteers themselves, both grew up in the neighborhood and joke about virtually living here all their lives. In fact, Tony is now living in his 6th home 'inside the gates'.

Mary Flassig

Thank you to all the volunteers throughout our 51 years who have built LOFS volunteer spirit! If you would like to join one of LOFS clubs or organizations simply visit www.lofs.org Click on "About Us" and search the drop-down screen for the Fundraisers, House and Garden, the WGA, or many of our wonderful other clubs and organizations. You'll be glad you did.

(Scholarship from Pg. 4)

reapply in one or more subsequent years, and the scholarship may be awarded to the same applicant, without limitation. Other selection criteria will be financial need, scholastic ability, character, leadership and integrity. \$1,000 scholarship.

Dave and Darlene McMichael Family Scholarship: Female Crown Point residents, 21 and over, returning to college, uni-

versity, trade or vocational school. Need based. \$500 non-renewable.

Charles and Marjorie Quickle Memorial Scholarship: Crown Point school district residents, in a formal education process towards full time ministry work. Amount varies.

Dorothy Dillman Max Scholarship: Resident of Lake County, Indiana at least 25 years old, en-

rolled at Indiana University Northwest. Recipient must be taking at least 2 courses per semester, minimum GPA 2.5 with preference given to a student with financial need. Cannot be in a graduate program. \$500, non-renewable.

Lakes Department

By Mike Talley,
MS4 Coordinator

Prevent Lake Scum

Today, mid-May while crossing the south dam between Big Bass Lake and Lake Holiday, I observed a huge amount of algae in Big Bass Lake. The algae is due to lakeside residents allowing grass clippings to be blown into the lake. Maybe not realizing the harm they are causing, they could be the same residents that will complain about the condition of the lake later in the year.

Algae are small green

plants that live in lakes and streams. Increased algae growth is observed as green algae blooms or "scums" on lakes. This scum is what I observed. Too much algae is harmful to a lake system. It blocks sunlight and prevents other plants from growing. When it dies and decays, it also takes much needed oxygen away from fish. Limiting phosphorus reduces algae blooms.

Phosphorus is one of the most troublesome pollutants in storm water runoff.

Phosphorus comes from

many sources, and it is the primary cause of water quality problems in our lake.

Everything that is or was living contains phosphorus. It is in leaves. It is in lawn clippings. It is in animal waste. It is an ingredient in most lawn fertilizers. It is even attached to soil. When leaves, lawn clippings, animal waste, fertilizers, and soil are picked up by storm water runoff and are carried directly to our local lakes, they provide the lakes with excess phosphorus. This excess phosphorus causes increased algae growth.

You can reduce the amount of phosphorus entering a lake or stream by:

1. Keeping your leaves and lawn clippings out of the streets, road side ditches and lakes. Leaves and lawn clip-

pings are a major source of phosphorus. When they are blown, swept, or washed into the nearest street or street side storm drain, they will end up in your lakes. Keeping your leaves and lawn clippings out of the street side ditches and lakes will have significant benefits for our local lakes.

2. Applying only the amount of fertilizer your lawn needs. A soil test will tell you how much-if any-fertilizer your lawn needs. Excess fertilizer may harm your lawn or pollute surface water. Fertilizer applied to your streets or sidewalks will get into the nearest lake. Phosphorus from fertilizers can cause algae blooms. Use only phosphorus-free fertilizers.

3. Controlling soil erosion

around your house. When soil is left bare, rain water will run quickly over it. The moving water picks up soil particles. These soil particles have phosphorus attached to them. Some soils are high in

phosphorus and are another source of phosphorus in storm water runoff. The soil in storm water runoff will end up in your local lake and contribute to algae growth.

Review of certain lake regulations

By Ryan Grady,
Lakes Director

The Lakes of the Four Seasons Lake Department's primary duties are to provide a safe and pleasurable lake experience to our residents and their guests. Daily patrolling has commenced helping to insure your time in and around the lakes is an enjoyable one.

Although all Lake Rules and Regulations need to be read and followed, the following are those that we felt needed to be emphasized.

BOATING

Lakes of the Four Seasons, *Boating and Fishing Rules and Regulations* defines: **Watercraft** as any instrument or device in or by means of which a person may be transported upon waters. This includes but is not

limited to every: motorboat, personal watercraft, sailboat, rowboat, skiff, dinghy, paddleboard, canoe, paddleboat or raft of whatever length or size.

Personal watercraft means smaller, agile boats powered by an inboard engine and a jet pump mechanism. Including but are not limited to jet skis, wave runners, water scooters, water bikes and cruise craft.

Boat Registration

All watercraft and personal watercraft must be registered annually with the POA and display a current boat decal. Each decal is coded for the power group it was purchased for.

200 HP & Up ... **BF**

150 HP to 199 HP... **BE**

100 HP to 149 HP... **BD**

50 HP to 99 HP... **BC**

20 HP To 49 HP... **BB**

4 HP To 19 ... **BA**

3HP and under includes

trolling motor ... **BX**

Unpowered ... **BU**

Jet Ski ... **X**

Prior to purchasing a POA Boat Decal, the boat owner/resident must take and pass the LOFS Lake Knowledge and Safety Test. This test must be taken every two (2) years.

Operation

• All watercraft being operated on the lakes in LOFS are subject to safety patrol inspections without prior notice.

• All watercraft operated on the main body of Lake Holiday must travel in a counter-clockwise direction at all times. All turns and rotational maneuvers must be done in a counter-clockwise

direction. EXCEPTION: when retrieving a downed skier. East-West traffic must yield the right of way to North-South traffic

• A person must be at least sixteen (16) years of age to operate any powered watercraft.

• Any child or children under the age of 13 that are passengers on a watercraft must wear a personal flotation device at all times when a watercraft is being operated (in motion).

• Guests cannot operate a watercraft within LOFS without the POA member whom the watercraft is registered, on board and present during operation.

• On Lake Holiday at sunset a patrol boat will travel from the boat launch area to the Seasons Lakehouse, with its red and blue lights flashing signaling the start of *Night*

Time Boating Hours.

• All watercraft operated on any lake during nighttime boating hours must be equipped with proper lighting as required by Indiana Boating Laws and Regulations. Required lighting is to be in good repair and operating condition, and must be used at all times during nighttime watercraft operation.

BOAT DOCKS

POA rental dock spaces may only be used by the property owner who has rented a specific dock space.

Resident docks must be maintained in a neat and safe condition (e.g., free of excessive rust, waterfowl and animal feces, debris, broken parts, and flooding).

PETS ON THE BEACHES

No one shall bring, allow, or permit any pets or other animals on any beach located

in Lakes of the Four Seasons. A fine of \$50 per occurrence may be assessed for violation of this policy.

FEEDING OF WATERFOWL

Any person or group found to be feeding or encouraging waterfowl to inhabit the lakes area of the Lakes of the Four Seasons community shall be subject to a fine of \$25 for each offense and that each day of feeding or each feeding time shall be considered a separate offense subject to fine

FISHING

Fishing on any of the lakes at LOFS is reserved for the exclusive use and enjoyment of POA members in good standing with the Association. The right of an invited guest to fish on any lake in LOFS is subject to the guest being accompanied by a POA member at all times.

Zac's Fishing Line

By Zac Toth

Hey guys, looks like the weather is finally starting to heat up and so is the fishing!

I love driving around in the golf cart and seeing all of the families and kids out trying to catch the big ones.

With the water temperature rising, the pan fishing is at its peak. Using B moths or a little jig under a bobber is

going to give you some really good action. Recently I've had reports of some walleye being caught off shore on the drop offs using a minnow on a jig head. I always see people on the public access dock on Lake of the Green. I've also gone on that dock and caught a lot of bass with nightcrawlers.

The first week of May I had luck on Big Bass Lake using spinner bait. Going along with that, bass will be on their beds soon spawn-

ing, so try not to disturb any bass you see on its bed as the surrounding fish will eat the bass' eggs.

Please make sure that while you're out enjoying the beautiful fishing spots our community provides us that we're all picking up our garbage, used fishing materials, and helping to keep our awesome neighborhood clean.

The weather is going to continue to warm up which gives us more opportunities to get out of the house, enjoy our lakes and the great fishing it has to offer. Send me some pictures on Facebook of your best catch of the month and maybe you'll be featured on next month's report.

Happy fishing everyone!

free event for kids ranging from 3 to 17 years. The fishing club will be providing bait for the derby. Sign in will start at 8:30 a.m. Fishing will begin at 9 a.m. After the derby there will be a drawing for prizes for all the young contestants and a lunch.

Anyone needing any information please contact me at lofsfishingclub@gmail.com.

Have a great time on the water, and continue to practice safe boating and good fishing.

Department of Natural Resources recommends 'clean, drain, and dry' boats to stop invasive species

As summer approaches and boaters prepare to get on the water, the Indiana Department of Natural Resource reminds you to: "Clean. Drain. Dry." Cleaning, draining and drying your boat helps prevent the spread of aquatic invasive species (AIS).

AIS are non-native aquatic animals, plants, microorganisms and pathogens that can hurt native aquatic plants and wildlife, harming the environment, human health and businesses.

"The best way for boaters to help protect our waters is by following the 'Clean-Drain-Dry' message," said Eric Fischer, aquatic invasive species coordinator for the DNR Division of

(*Summer from Pg. 7*)

songwriter, acoustic guitar, djembe, and harmonica; Bruce Chronister, singer, songwriter, and guitar; Mike Horgash, singer, fiddle, mandolin, tin whistle, and guitar; Jim Sasaki on bass guitar; and Tim Flatt on drums and percussion.

Night Shift

June 28, 2018

Night Shift plays classic rock, hard rock, blues, and a bit of country. Night Shift was formed by guitarist, Russ

Fish & Wildlife.

Clean: When leaving the water, clean all equipment that touched the water. This includes watercraft hulls, trailers, shoes, waders, life vests, engines and other gear. Remove all visible plants, algae, animals and mud.

Drain: Drain accumulated water from watercraft or gear, including live wells and transom wells, before leaving the ramp or public access point.

Dry: Once home, let all gear dry for five days or more before using it in a different water body.

Some of the worst aquatic invasive species in other states have yet to be found in

Bellamy and bass player, Terry McGaha in 2016. Both have played in local bands off and on since their high school days. Terry was part of the Las Vegas show band scene from 2000 to 2014. After a few changes in members, the current line-up was formed which includes Jenny Anderson on lead vocals and keyboard, and Josh Anderson on drums.

The band's cover song li-

beria includes classic rock, blues, alternative, and a couple country tunes every now and then. Night Shift is known for constantly changing up their setlists with new material to keep things fresh and interesting.

Band members include Jenni Anderson on lead vocals and keys; Russ Bellamy on lead guitar; Terry McGaha on bass and vocals; and Josh Anderson on drums and vocals.

Fishing Club

By Jack Grveles,

President LOFS Fishing Club

The next meeting for the LOFS Fishing Club will be on July 10 at 7 p.m. in the lower level of the 19th Hole. There will be no June meeting.

The LOFS Fishing Club will be hosting two tournaments this month. The first tournament will be held on

Saturday, June 2, on Lake Holiday. Sign in is at 5:30 a.m.; start time is 6 a.m.

The second tournament will be held on Big Bass Lake Saturday, June 23. Sign in is at 5:30 a.m.; start time is 6 a.m.

This year's Kid Fishing Derby will be held on Saturday, July 7 at the Seasons Lakehouse. It is a

Post offices were available to early area settlers

By Walt Pluchinsky, LOFS Historical Society

With the change of ownership of one of our local pharmacies in the recent past, local residents have lost the convenience of a branch of the Crown Point post office. Although we are able to buy stamps locally, most other functions of the postal service must be done at other sites, usually in Crown Point or Valparaiso. With that in mind, it may be

interesting to know about the early post offices that were in existence at one time in our area, although not many records are readily available.

In 1835, Solon Robinson, the first man to settle in the Crown Point area, applied to President Andrew Jackson for the establishment of a post office. On March 14, 1836, he received his appointment as Postmaster of Lake Court House, as the settlement was then called. He transported the mail at his own expense from the nearest post office which

was in Michigan City. In 1837, the Lake Court House post office was the only one between LaPorte and Joliet.

In 1865, the first railroad was built through the town (named Crown Point in 1845), and the town received its first direct mail service by train. Rural delivery service commenced in August 1905, and city delivery service began in 1914. The current main city post office, at the corner of East Joliet and South East Streets, was first occupied in October 1935, and it was enlarged considerably in

1962, and more in 1999.

Most likely, the first post office nearest to the Four Seasons was established at Porter Crossroads in 1844, now currently the corner of State Route 2 and County Road 500W, near the present site of the Porter Township School administration building. This post office continued in existence until the end of the Civil War.

About 1845, a post office inside a store was established at Hickory Point, a small community in southeast Winfield Township, just south of what is now the Stony Run County Park. The inhabitants of western Porter Township also received mail there. The Postmaster Jeremy Hixon carried the mail from Crown Point. The post office and store were later moved across the county line, but they closed about 1855.

Depending on the source, as previously reported in this column, records indicate that the Boone Grove area may have had a post office way back in 1843. An early resident born in 1851 recalls a post office in a log cabin one mile southeast of the town, in which mail was handed out by a man on horseback, who started from Lowell and went to Valparaiso. After the building of the Chicago and Atlantic Railroad, later called the Erie, in 1881, the post office was moved to the new town that was built along the railroad. In 1912, the only other post office in Porter Township was in the town of Hurlburt. Over the years, the Boone Grove post office has been at several locations in town. Although the Postal Service attempted to close this facility in 2011, by agreement, the current post office remains open six days a week but for only

two hours in the morning. It does have a mail drop and about 80 individual boxes for easy access.

It is said that the Winfield area, including Leroy, had several early post offices, but the locations and details are lacking. One known location, probably started in the 1920s, was in a house on 117th Avenue, where mail came by railroad. This feature will be described in a future article, because the house has another historical significance.

We in the Four Seasons have come a long way since the early residents had to go to the main entrance for mail. With the growth of the Winfield area, it seems logical that there be a local post office branch. No doubt, the local authorities are working on the situation, and we're sure their efforts will be successful and progress will be made.

MGA

Men's Golf Association Junior Golf Scholarships Final Reminder

The LOFS Men's Golf Association wants to remind everyone one last time about the 8th annual Golf Scholarship awards for current and previous LOFS junior golf members.

A \$1,000 award will be issued to the college or uni-

versity of their choice for one male and one female who have graduated high school this spring and will be attending said college or university in the fall.

Among the requirements to be met, parents or legal guardians of the applicants must be a current MGA member or LOFS resident in good standing at the time of

the application; a minimum of one year of LOFS junior golf participation; and a completed application to verify eligibility with a 500 word essay explaining how the game of golf and its lessons has impacted their life and what it holds for them in the future.

For further information, and to pick up and return the scholarship applications, please visit the LOFS Pro Shop. Entries must be received by June 15, 2018; winners will be notified on July 7, 2018.

South Shore Line 'Bikes on Trains' program has returned for the season

It's that time of year again, when riding a bike to work is made possible with the South Shore Line's 'Bikes on Trains' program. This program is offered on two morning and evening rush-hour weekday trains in addition to select weekend trains. Bike cars will be available on select weekend/holiday and select weekday trains from April through October.

Bike cars are bike rack-equipped in addition to regular seating so that passengers can ride in the car near their bicycle. Bike-rack equipped train cars are clearly marked with a bike symbol prominently located on the windows of the car. Bikes are not permitted during special Chicago events such as Lollapalooza and the Chicago Air & Water Show.

For more information on bike-friendly train schedules, discounts and to plan your trip, visit www.mysouthshoreline.com or download the SSL app. Passengers wishing to bring their bicycles on the train must comply with the requirements listed on the South Shore Line's website at: www.mysouthshoreline.com/plan-your-trip/bikes-on-trains.

Lakes of the Four Seasons House and Garden Club reveals club's brand-new logo

Designed by President Nancy Beck, and approved by the members of the House and Garden Club, the first-time-ever logo will be used to brand the Four Seasons House and Garden Club for a more recognizable and greater presence in Northwest Indiana.

The following items were presented to the members by the Garden Club Officers at its Tuesday, May 29, meeting:

Member business cards with our club name, location, and meeting details so we can hand them out and invite residents, and encourage new members to come to our meetings; Vice-President Mary Grveles introduced our new 'Yard of the Month' stake sign, which will be for display when we re-establish this designation in our community this summer; a new logo stake sign, shown by Secretary Roxanne Myers, will be used to identify us at events such as our Mum Sale and when we collect parking fees at the July 12 concert at the Lakehouse; and lastly, a bright new Club banner held by President Nancy Beck on the left, and Treasurer Bev Bashia on the right, for hanging at events or trade shows.

Please join us in celebrating the start of something new for us. We are proud to debut our new Club logo right here in the Lakes of the Four Seasons. We hope you like it, recognize it, and enjoy it as much as we do. Thank you

one and all.

Remember, our House and Garden Club meetings are the last Tuesday of the month, at 11:30 a.m., at the Seasons Lakehouse. Please join us. Call Nancy at 219-789-5974 for more information.

Call of the wild: LOFS resident photographs eagle in community
Homero "Chico" Hinojosa of West Lakeshore Drive in Lakes of the Four Seasons recently captured these photographs of an eagle spending time in LOFS early one evening. "The eagle looked as big as a turkey, and its wingspan was about six feet," he said.
