

## LOFS Master Plan

### Resident Comments

Community Meeting, Oct. 22, 2018

Please complete this form based on what you have heard tonight; elements of the Master Plan that you liked, or projects that the Community should prioritize in the future.

1. Does the Draft Plan presented tonight address the needs of the community as defined by the citizens?  
Yes \_\_\_\_\_ No \_\_\_\_\_

If yes, please specifically identify elements that you liked most

If no, please specifically identify elements that you feel the plan is not responsive to?

2. What element of the Plan, if any, you feel the Community should not support?

3. The next step, after this Community review, is to develop the Final Master Plan. What are the elements or proposals that you think should be given highest priority for the next five years?

4. Did we miss any concerns or issue?

5. Please share any ideas about programs or services that should be offered.

Thank you.
