## Young LOFS residents shine at 50th Anniversary Watersports Show

During the LOFS 50th anniversary celebration on Sunday, July 3, the LOFS Watersports Association took to the water to demonstrate a variety of watersports for the spectators.

The lawn behind the Clubhouse was filled to near-capacity as the riders had to deal with less-than-optimal water conditions. To add to that stress, Steve Likas was sidelined with an ankle injury which he incurred when practicing the day before.

Resident Pat Szuba stepped up to the plate to fill the void and did not let the crowd down with his barefooting, wakeboarding, and even going "around the world," a move that takes a rider 360 degrees around a moving boat.

The driver of that maneuver, Pat Acke, also strapped on a slalom ski to carve up the water. To kick off the show, Will Mercer (age 6), Corbyn Niedert (age 8), Eli Thon (age 4) and Abby Keldenich (age 7) all made a pass waving to the onlookers.

The finale of the show featured professional wakeboarder Jonathan Nadolski, who rode on the pro wakeboard tour for 6 years. Nadolski's run was cut short from a knee injury he

sustained after launching himself 10 feet into the air behind the boat and landing in the treacherous water conditions. The good news is that he is healthy and looking forward to next year's show.

We would like to thank the POA and all of the spectators who came out to support us during the show.

## Lake drawdown this October

Big Bass Lake and Lake Holiday will be lowered approximately five feet this fall so the Boat Launch for Lake Holiday can be replaced. Big Bass Lake must be lowered

to relieve the hydraulic pressure on the two dams that separate the lakes.

All boats must be removed from both lakes by October 1 this year.

This will be a perfect time for property owners with lakefront properties to make the necessary repairs to their shorelines if needed.

## Monthly Update

**POA Community  
Manager**
**Lakes of the Four Seasons**

The 50th Anniversary Party and the Fourth of July Holiday has come and gone and I want to thank all of the LOFS employees and volunteers for what they had to do to make it enjoyable for everyone. The Lakes Department did a great job monitoring the lakes during that long weekend. There are so many boats that utilize the lakes during this holiday; monitoring them to make sure there are no accidents or issues is no easy task.

As usual the Security officers and dispatchers did a great job during the holiday weekend as well. There are thousands of vehicles that come into the community that day and just as many calls for all sorts of reasons.

The Operations Department did a great job setting up, keeping the garbage cans emptied throughout the day and cleaning up the day after the Thursday night concert, the 50th Anniversary and Independence Day events. Again, I want to thank all of the employees for a job well done.

Road Paving will soon be underway so please use caution when driving around the paving crews. Your patience will be greatly appreciated.

A detailed code enforcement inspection of every property in LOFS was fi-

nalized in July and there were 313 properties that had some sort of issue. Letters were sent to each of those property owners letting them know what the issue was no matter how small it might have been. They were also given a certain timeframe to resolve the issue or to call me to let me know what their plans are for correcting the problem. Several of them have already taken care of the issue. Those that do nothing will unfortunately be issued a citation for failure to maintain their property.

**Branches, Limbs & Yard Waste Policy**

It has been observed that many property owners place their limbs, branches, and yard waste out for collection well after the scheduled day and time of collection, thereby detracting from the aesthetic quality of the community.

The Lakes of the Four Seasons Property Owners' Association, Inc. Board of Directors approved a new policy that states: Any limbs, branches and/or yard waste placed out upon any lot in the subdivision after the day and time of collection shall be subject to a fine of Fifty Dollars (\$50) a day until removed by the property owner. If the property owner fails to remove said limbs, branches, and/or yard waste in a timely manner,

the property owners' association shall remove the same for Two Hundred Dollars (\$200) at the cost of the property owner. You may read this policy in its entirety on the LOFS website

**2016 POA Election**

Only two people turned in packets for the 2016 POA Board of Directors Election; Lori Dupratt and Tim Swallers. There will be no election this year. Per the POA By-Laws Article V, Section 5.10.02. Automatic Election. Whenever the number of candidates qualifying by the deadline is equal to the number of slots available or less, those candidates shall be declared elected by default and there will be no further election process. Directors so elected will take office at the next Annual Meeting. If the number is less than the number of positions available, the new Board shall fill any vacancies as soon as practicable following installation.

The Clubhouse Restaurant will host the final concert on Friday, August 19, with NAWTY from 7 to 9 p.m. and there will be a DJ at the 19th Hole following the concert.

**Summer Concert Dates for August**

- August 4 – The Highway Band
- August 11 – The Resonators
- Friday, August 19 – NAWTY

Enjoy the remainder of the summer while it's here and all the amenities the community has to offer.

## Monthly Update

**Lions Club**
**Lakes of the Four Seasons**
**Lions Club Steak Fry**

Come join the fun of grilling at the lakefront. The Lions Club will be serving a delicious dinner at the Lakes of the Four Seasons Clubhouse on Sunday, August 21, from 4 p.m. to 7 p.m.

The cost of the dinner is \$16 and includes a 12 oz. New York Strip Steak, potato, salad, corn on the cob, dinner roll, dessert, and lemonade. The Clubhouse bar will also be open to purchase drinks.

The Lions continue to support Leader Dogs for the Blind, Indiana School for the Blind, Indiana Cancer Control, Speech and Hearing, Indiana Eye and Tissue Bank, Local Food Pantries, Lions Park and LCIF. The

LOFS Lions Club also works closely with the Holy Spirit St. Vincent de Paul Society. They are very generous in helping us to assist the needy.

This is usually a sellout event with a limited number of tickets at the door, so please purchase your tickets in advance. You can purchase tickets from any Lions Club members or by contacting Lion Julie Figurski at 219-742-0596.

**LOFS Lions Club Golf Outing**

The LOFS Lions Club is hosting their annual four-person scramble golf outing on Friday, August 19, at Lakes of the Four Seasons Country Club.

The cost is \$55 for LOFS

golf members and \$75 for non-members. Registration begins at 10:30 a.m., with a noon shotgun start. Price includes lunch at 11 a.m., goody-bags, raffle prizes, beer tickets, a chance to win one of six drawings for \$50 cash, and a ribs and chicken dinner following the event. Golfers will also have the chance to win \$25,000 with a hole-in-one. Cost for dinner only is \$15.

Proceeds from the event benefit Leader Dog for the Blind, Indiana Cancer Control Fund, The Caring Place, Indiana School for the Visually Impaired, food certificates for our local food pantries along with all other LOFS Lions projects.

Registration is limited to the first 144 golfers. If interested in playing, sponsoring, or donating, please contact either Kim Brownlee at 219-741-3622 or Chuck DeLasCasas at 219-776-3031.

**Fishing Club**  
 Lakes of the Four Seasons

By Jack Grveles,  
 Club President

This year the LOFS Fishing Club's Kid's Derby was held on Saturday, July 2, to great success. The club gave out over 22 rod and reel combos, along with over 50 tackle boxes, to the lucky anglers that attended this year's event.

I would like to thank Ryan Grady and his Lakes Department with their help in getting ready for this event. I would also like to thank Jason Vandenburg, Jason Wulf, Frank Kolodziej, Chuck Fry, Dave Cormac, Lee Courtney, Rick Glenn, Scott Ecklund, and Andrew Hurst for all their help. I would also like to thank Rick

Farrell and Cabela's for their donations to help make this event successful.

The Fishing Club will be holding a Catfish Tournament on Lake Holiday on Saturday, August 13. This is a two-man tournament, sign in is at 5:30 a.m., start time is 6 a.m. and will end at 11 a.m. Cost of the tournament is \$20 per team.

Anyone needing any information may contact me at lofsfishingclub@gmail.com. There will be no meeting this month. Please be reminded that all Bass and Muskie are catch and release only.

Have a great time on the water this year and practice safe boating.

**Growing food safely and the LOFS Community Garden**

A presentation on how to reduce your risk food borne illness in the garden by Nikky Witkowski from Purdue Extensions will be held at the LOFS Clubhouse on Tuesday, August 16,

at 6 p.m. Nikky will give a short presentation at the Clubhouse, then she will lead us over to LOFS Community Garden to show us some gardening tips and tricks.

This presentation and discussion is open to the public and we encourage you to come out and learn about safe gardening and discover the LOFS Community Garden.

**Monthly Update**  
**Golf Course Maintenance**  
**Lakes of the Four Seasons**

By Doug Weiss, Golf Course Superintendent

Every year there are new challenges, from excessive heat, rain, and this year's is drought. There are several concerns when it comes to as little rain as we have received from a turf stand point.

First is the amount of disease that occurs, especially when the night time temperatures stay above 70 degrees for an extended period of time. If the forecast is for three or more days, that is when I have to spray a fungicide to protect the turf from Pythium Blight. This disease can kill fairways or greens overnight.

There are several less severe diseases that also

occur when we have excessive moisture. The most common is Dollar Spot, which is not exclusive to golf courses; I see it in many yards around the community. It has fairly small spots that have a cottony look to them on the leaf blade.

This is where it gets interesting, Pythium is a high nitrogen disease and Dollar Spot is a low nitrogen disease. A proper agronomic plan has to take both into consideration. In the spring and fall a granular fertilizer is applied, during the summer a liquid fertilizer is applied on a weekly basis. The liquid fertilizer is just enough nitrogen to keep the plant healthy and growing

without putting it a risk for Pythium.

Breaking ground to complete another project is the last thing I wanted to do this summer. Unfortunately, July was the best time to dig out the ditch on number #10 and build the drop area tee on #16. The ditch on #10 will take the rest of the year to finish putting rock in it. I will not stop the day-to-day operations of maintaining the golf course to put rock in a ditch. We will work on it after lunch and some free time.

The drop area tee has been seeded but will not be ready for play until next season. The last project I have currently planned is to fill in the traps on the #13 rough this fall.

The next greens committee meeting is August 1 at 6 p.m. at my shop. I hope the weather is better for the last month of summer than it has been for the first two.

**Keenagers**  
**Lakes of the Four Seasons**

By Renate Sahulcik, Club President

The Keen-Agers will have their Annual August Auction on the 18th at the LOFS Clubhouse. The bar will open at noon and a delicious luncheon will be served at 1 p.m. Entertainment will be the Auction, where the club can bid on and buy all NEW merchandise for sale. Beautiful baskets with vendor gift certificates will be raffled, plus product booths will be available. This is our

biggest fund raiser of the year to help pay for all the fun activities the club enjoys.

After a short meeting and the 50/50 raffle, we will adjourn around 3 p.m.

In addition to the third Thursday of the month meetings, the members attend plays, gamble at a Michigan casino, set sail on a boat ride in Chicago, and take a week-long bus trip vacation; this year it is to Myrtle Beach in September!

Membership fee for the

year is \$22 and the monthly luncheon cost is \$14. Please call Renate at 219-689-3408 or e-mail her at willrenate@yahoo.com to make a future reservation.

Special Thanks to Rick Cleveland, Lori DuPratt, Sally Lugo, 50th Anniversary Committee and Linda Koblack and everyone else involved in making the celebration such a fabulous success that will go down in LOFS history! As always, if it wasn't for all the Keen-Agers and the LOFS Clubhouse staff managed by Valerie Gernenz, we wouldn't be the #1 club that we are!

**NEW PATIENTS SEEN SAME DAY!**

By Paul Boris,  
Director of Golf

As is tradition during the dog days of summer with the heat, I would like to review Regulations regarding the preservation of "Pace of Play" on the golf course. The high heat coupled with high humidity that our region has received and is likely to receive for weeks to come with the drought, being forced to spend more time out on the course than should be required makes this topic all that more important for health and safety reasons as well as preserving the enjoyment of the game for all players on the course.

**Rules To Preserve The Pace Of Play**

It's important to note that many of these tips have nothing to do with rushing your play, but rather with simply being ready to play, and with using common sense and good etiquette on the course. The bottom line is, as soon as it's your turn to play, you should be ready to step right up and make the stroke. Rules of golf define the search of a ball be limited to 5 minutes maximum, however, this does not mean you have 5 minutes per shot

to play your ball. Every player should make their stroke in no longer than 30 seconds after the last player to have made theirs (not counting travel time).

1) Play "ready golf", which simply means that order of play is based on who is ready, not necessarily who is away or furthest from the hole, unless in a competition or event.

2) Drop the player that is first to hit, off at their ball and that player should take a selection of 2-3 clubs they feel they may need to hit for the shot ahead of them. The player in the cart should then position themselves as close to their ball as possible but out of the line of sight or flight of their cart partners shot to speed the pace at which the group is hitting shots. The previous player should then be walking back to the cart while the player with the cart is hitting their shot. The group should not travel as a pack, going to first to one ball, then the next, and so on.

3) When using a cart on a cart-path-only day, be sure to take a selection of clubs with you when you walk from the cart to the ball. This way,

you won't have to return to the cart if you discover you didn't bring the appropriate club.

4) Carry a few extra tees, ball marks and a spare ball in your pockets so you don't have to return to your golf bag to retrieve them, should you find yourself in need of one.

5) When you think your shot might have landed out of bounds or be lost, immediately declare a provisional ball. Don't walk ahead to search, only to have to return to the original spot to replay a shot.

6) Never hold up play because you're in the middle of a conversation. Put the conversation on hold, take your stroke, and then continue the conversation during travel.

7) On the green, begin lining up your putt and reading the break as you are walking up to the green. When it's your turn to putt, be prepared to step right up and take the stroke.

8) Leave your bags or golf carts to the side of the green, and in the direction of the next tee, never in front of the green.

9) Never stand on or next to the green after holing out in order to write down your score. Write scores down when you reach the next tee.

Each of these policies are well adopted by nearly all golf courses throughout

the world as well as here at Four Seasons Country Club so please be aware of your position on the course at all times when playing not only at the course at Lakes of the Four Seasons but at any course throughout the nation.

On the green, remember:

- Don't step on your fellow players putting lines -- the imaginary line that connects the ball to the hole.
- Do not stand where you might distract a fellow player and don't move.
- Don't make any noise when your fellow player is preparing to putt.
- If you are asked to tend the flagstick, make sure you aren't standing on anyone's line.
- Hold the flagstick at arm's length so the flag doesn't flutter in the breeze, and make sure your shadow doesn't fall across the hole or line. Loosen the bottom of the flagstick so it doesn't stick when you try and remove it by pulling it straight up after the other player has putted. The flagstick should be removed right after the player has hit the ball.
- If you lay down the flagstick, lay it off the green to prevent doing any damage to the green.
- Generally, the player closest to the hole will be considered tending the flagstick.

**New Scorecards Arriving Soon!**

We have recently finished with the evaluation of the scoring data collected since the beginning of this season. Using the temporary teeing grounds on a few holes before constructing new tees, we've determined that the temporary tees have balanced the difficulty throughout the course between blue and white tees to re-establish the fairness of how holes play for mixed groups of golfers. The data was close enough that we are confident in re-establishing one handicap allocation for both blue and white tees throughout the golf course, that handicap allocation will be the following once those cards arrive.

Lakes Department

Lakes of the Four Seasons

By Mike Talley,  
MS4 Coordinator

Ask about Phosphorus-free Lawn Fertilizers

Lake Holiday and Big Bass Lakes are showing signs of Blue-Green Algae. Algae blooms in lakes can deplete the water of nutrients and dissolved oxygen, leading to eutrophication.

Eutrophication arises from the oversupply of nutrients, which induces explosive growth of plants and algae. When such organisms die,

they consume the oxygen in the body of water, thereby creating the state of hypoxia (low oxygen conditions).

While some algae is good for aquatic communities and a necessary part of the food chain, blue-green algae caused by excess phosphorus covers water like a scummy blanket and can be toxic to aquatic communities and humans. Blue-green algae or cyanobacteria, comes in many different varieties, and some of these species can

produce cyan toxins. Some of these toxins contribute to noxious smells and odors.

We need to work together as a community to eliminate phosphorus from entering our lakes. Phosphorus can be an ingredient in many items found around the house and yard such as yard fertilizers, pet waste, detergents. When exposed to rain water these household items and the phosphorus they contain can be carried to our lakes.

The LOFS MS4 Department has begun testing runoff from the community for phosphorus. So far we have found elevated levels of phosphorus running into Big Bass Lake from the Hidden Valley Drive area.

Homeowner(s) in this area could be using fertilizers that contain phosphorus.

The LOFS POA has policies in place to prevent the use of fertilizers containing phosphorus within the Lakes of the Four Seasons.

For more helpful hints on how to maintain your yard and keep our lakes healthy see the Lakes/MS4 Department website at [www.lofslakes.com](http://www.lofslakes.com).

Two New Fishing Docks

The Lakes Department has put in 2 new fishing docks for residents to enjoy. One is located in Lake on the Green, near the boat launch area across from the Maintenance Building on Shoreline Road.

The other is at the south end of the West Haven Boat Rental Docks on W Lakeshore Drive.

Swimming-Boating Advisory Flag Status

For current lake and beach status for swimming or boating see The Lakes/MS4 Department website at [www.lofslakes.com](http://www.lofslakes.com).

Fall branch collection dates announced

Fall branch collections will begin on September 5 and continue until the final date of September 16 for the Lake County portion of the community. Piles must be placed out on or before the September 5 date. **No collections after the September 16 date!**

Fall branch collections will begin on September 26 and continue until the final date of October 7 for the Porter County portion of the community including

Beachview Ct., Sandy Beach Dr. & all of Forest Ln. Piles must be placed out on or before the September 26 date.

**No collections after the October 7 date!**

Nothing larger than twelve (12) inches in diameter will be collected. Do not mix

rubbish, roots, dirt and yard waste with branches. No drop offs will be allowed.

Please abide by the new Branch, Limb & Yard Waste policy. You can find this policy along with other POA policies on the LOFS website.

## Celebrating 50 Years~1966-2016

# SPECIAL THANK YOU TO OUR LOFS 50<sup>TH</sup> ANNIVERSARY SPONSORS

The Lakes of the Four Seasons 50th "birthday" celebration was fantastic. The weather cooperated, and the bands, the water sports show, and the other activities of the weekend brought out the camaraderie and spirit that has defined LOFS through its' first 50 years. The sold-out gala event on Saturday night provided a wonderful time for people to enjoy great food and to share their stories and memories of the history of LOFS. The community cook-out drew a huge crowd and gave friendly neighbors the opportunity to hang out together, or meet new neighbors.

The annual Independence Day parade helped close things out on Monday, July 4, and it has been said that the 2016 fireworks show was our most spectacular yet.

Our four-day birthday bash required a lot of time from local residents who concocted, and ultimately coordinated and produced, the many celebratory activities that were held. Just as important are the sponsors who contributed to the event, and whom we wish to thank publicly (below) for their generosity.

Some people hope a party never ends, and this one still has more than five months to run before LOFS turns 51. Feel free to celebrate our community's birthday throughout the rest of summer, through autumn, and into the holiday season ~ and be thankful for everything LOFS has to offer.

**Monthly Update**  
**Security Department**  
**Lakes of the Four Seasons**

By Craig Philp, Director of Security

August 19th will be the community's last concert for

the 2016 year, and all who attended were able to hear some great music this year and enjoy some pretty decent weather. As always, I would

like to thank all those who attended this year for keeping it peaceful and pleasant for everyone. Overall, I would have to say we had another year of success and good times.

**Complaints**

Responding to social media posts has never really been for me. I see people continually complaining about one thing or another and just shake my head, and move on. I figure it's just ways people can openly vent off some steam between each other.

Recently however there was a post that struck a chord, so I chose to respond; again, something I would not normally do. After all, I have a department to run, 27 miles of road to look after, 2,600+ homes with only two officers working per shift. Sounds like an easy task...right.

I see people out there complaining that officers from this department are not enforcing rules or picking and choosing what we want to enforce. Of course, we all know this is not

true. In fact, it is probably the farthest from it.

Again I read it and just shake my head and move on; after all I know the truth and so do the people that we have helped. Then I see people only posting partial facts about certain incidents instead of the whole story. This, of course, just adds heat to the next person's post and so on in to its endless circle of disdain from a group of people.

The officers working for this department, as well as police officers in general, have a tough job. Not only do we have to deal with people who are upset because they are in violation of covenant rules or whatever, we also have to deal with people complaining about what others are doing and try to find a peaceful solution where all are happy. This is not an easy task sometimes, to say the least.

So, when I see people on social media venting their hate and frustrations about things they feel we are not do-

ing tends to bother me, since we are doing the best we can.

Again, it is your right to do so. I just wish when it is being done that it were with all the facts not just some of the facts.

If you have an issue with something that an officer from this department is doing, or a ticket that you may have received, call me instead of venting on social media. We can have an adult conversation about it, find a peaceful resolution to the issue, and walk away happy knowing it was that easy to take care of.

**Covenant Violations**

Officers have completed their second pass of all the covenant violations within the community. While we have found that, some residents have complied and either repaired, replaced, or removed the violations, most have not.

There have been some people who have been issued letters that should not have been, and for that I apologize. Accidents were made and

corrections were made in our systems.

Please know that the papers that were mailed out to you are considered the written warning violations. Any violations issued after this point will have a fine attached.

**For Sale Signs Outside the Community**

I want to take a moment to remind residents that the Town of Winfield does not allow anyone to park a vehicle for sale in the shopping parking lots outside the LOFS community.

This is a town ordinance that is being enforced by the Winfield Police Department. The ordinance states in this case "A vehicle when not in use, with for sale signs attached, may only be displayed at the address to which it is currently registered and licensed."

Also, please remember that the LOFS area does not allow signs to be posted on properties, which would include for sale signs.

**Final concerts of 2016 promise rock, country, and party music to end summer**

**The Highway Band**

Thursday, August 4

Highway originated in The Region, and they deliver powerful onstage shows year after year. Highway has tapped into the primal source of rock music, the blues, and followed its evolution through seminal bands such as The Allman Brothers Band, The Rolling Stones and Cream. Their original music acknowledges their musical debt to these bands.

They have shared the stage

with Lynyrd Skynyrd, Jackyl, Foreigner and Styx and have played the Tommy Jeans stage at Chicago's Tweeter Center (now the Hollywood Casino Amphitheatre) and Charter One Pavilion at Northerly Island in Chicago.

Talented and hard-working, Highway is a good-time rock and roll band and a Highway show is always a party.

**The Resonators**

Thursday, August 11

A traditional rock 'n roll,

country, and rhythm-based outfit hailing from Northwest Indiana, performing the songs of Hank Williams, Merle Haggard, Elvis Presley, Sam Cooke, The Everly Brothers, The Rolling Stones, Neil Young, Ray Charles, Bruce Springsteen, Willie Nelson, and more. With their snap-crack rhythm section, swampy mix of Americana guitars, and whiskey soaked vocals, The Resonators style is sure to please.

**NAWTY**

Friday, August 19 - The last concert of the season

Nawty is a party rock, dance, and all-genre kind of band. They are seasoned musicians and can throw down with the best of 'em. High energy, high entertainment, high crowd involvement and just an overall good ole rockin', fun show for everyone. They cover a vast array of musical genres from light to heavy and old to new.

**WGA News and June League Results**

The WGA Annual Member-Guest Day was held on Thursday, June 16. Thanks to Diane Greaney and Bev Nowicki, Co-Chairs, and their great committee, the 109 participants enjoyed the day. Additional information regarding the event is contained in another Seasonal article.

For the 18-hole league, 2nd Vice President Eva Simic presented the June awards. Birdies for the month: June 2, Debby Gulley on Hole #13; June 9, Kim Brownlee on Holes Nos. 3 and 13. Plus, there were chip-ins that week by Gigi Leith and Deb Gulley; June 30, Sandi Nicol and Sharon Rothe.

Prizes for the various games included on June 2, Par 4's only with 1/2 handicap, 1st prize Debby Gulley with

a 31; 2nd Jeana Karas with a 41 and 3rd Jodi Hall with a 42. On June 9, the game was Par 3's plus 5: 1st place Eva Simic with a 23; 2nd place Jodi Hall with a 25.

On June 23, the game was Low Putts and the winners were: 1st place Rita Morin with a 26; 2nd place Jeana Karas with a 30 and 3rd place Nadean Hartman with a 31. Nadean also had a chip-in that week. For the week of June 30, winners were Sandi Nicol and Sharon Strbjak.

Lori DuPratt, 2nd Vice President 9 Hole League, provided the awards to the weekly winners for June. On June 2 the game was No Putts and the A Flight was

won by Lori and B flight was won by Carol Thorsen.

On June 9 the game was Par 4 Tourney with A Flight being won by Barb Bailey and B Flight by Kathy Sanez. During league play that day, Kathy Sanez had a chip-in on Hole #9; Barb Bailey had a chip-in on Hole #6 with also a par on that same hole.

On June 23 the A Flight winner was Charlotte Nowlin and B Flight Winner Linda Pasternak. On June 30th with a game of Even Steven, the A Flight winner was Barb Bailey and the B Flight winner was Kathy Sanez. Nine-hole putter of the month was Barb Bailey.

Congratulations to all the winners.

**WGA Hosts 2016 Member-Guest Day with a Carnival Theme**

A very successful WGA Member-Guest Day celebrating a Carnival atmosphere was held on Thursday, June 16. The weather may not have been ideal, but the 44 members and 65 guests took advantage of a great time.

The pavilion at the 19th Hole was lavishly decorated to promote the theme of 'Carnival'. Flowers made of balloons adorned the tables, lighted pennants and red and white stripes prevailed. Even

the tee boxes were decorated with red and white striped containers filled with flowers, which were later raffled. A generous 50/50 raffle was won by Barb Smith.

Photos were taken by Ted Karas of Karas Insurance while tattoo artist Bill Nicol of Wm. J Nicol & Associates, offered tattoos to all participants. The 18-hole scramble was topped off with liquid refreshments and a delicious buffet catered by our 19th Hole Grille chefs.

Winners for the day were guests: Longest drive - Elyse Stasil; Closest to the Squiggly Line: Judy Green;

Closest to the Pin: Paula Snemis; and Longest Putt: Karen Whiten. First Place Team: Natalie Achten, Paula Snemis, Sherry Biggs and Elyse Stasil.

Many thanks go to the supporters of our event: 2&7 Coffee Bar, Ken Hall Insurance Services, Karas Insurance Services, Marathon Service Station, Wm. J. Nicol & Associates, Lori O'Malley, Mary Kay Cosmetics, LOFS POA, Strack & Van Til Grocery, Tim Swallers, Edward Jones Investments, Julie Spencer, Don Peterson, Bernie Lewandowski, Sharron Blue,

Donna Whitehead, Bob Greaney, and Jeff Nowicki.

Co-chairs Diane Greaney and Bev Nowicki and committee volunteers including Deb Wegman, Mitzi Levander, Sandi Nicol, and Glenda Romer, wish to express their thanks to the WGA members and guests for their participation and making it a most successful event!

**LOFS WGA Finalizing Plans for 6th Annual Garage, Craft & Vendor Sale**

Currently, the LOFS Women's Golf Association is finalizing their plans for their "Sixth Annual Harvest Time Garage, Craft & Vendor Sale" scheduled for Saturday, September 10, from 9 a.m. to 2 p.m. at the lower parking lot of the LOFS Clubhouse. A rain date has been scheduled for Saturday, September 17.

According to Debby Gulley, Event Chair, all LOFS and surrounding community residents are welcome

to arrange for booth space to display sell and/or purchase garage sale items, craft pieces or general merchandise at a very reasonable cost. If you have items left from a summer garage sale, early fall cleaning; take advantage of our convenient location.

Due to the continued popularity of this event and limited number of booths, space will be reserved on a first-come, first-paid basis. Pricing has remained the same as in years past. Rent for an approximate booth space of 10'x20' is only \$20. Vendors need to provide their own tables, chairs and display racks and the WGA

provides the space and promotion of the event. All applications must be received by August 30 with payment.

For your convenience, an application is published in this issue of The Seasonal. For more information, you may contact Debby Gulley at 219-305-2624, or by cell phone at 219-742-8644.
